The Gazette

Vol. 15 No. 37 St. Albert & Sturgeon

Wednesday, September 11, 1974. 15¢

Provincial cabinet members, Helen Hunley, Dr. Hugh Horner and Gordon Miniely leaving the helicopter which landed them in front of Club Mocombo early Monday morning for the visit of the cabinet tour to St. Albert.

Government for Breakfast
Ministers Hear Briefs

Government came to the people last Monday in St. Albert when a cabinet tour of three ministers arrived to meet town residents at the Club Mocombo over a breakfast meeting.

The three ministers were Dr. Hugh Horner, Deputy Premier and Minister of Agriculture; Solicitor General Helen Hunley and Provincial Treasurer Gordon Miniely, who was chairman of the group.

After hearing the briefs at the breakfast meeting, the group went on to outlying rural communities such as Boyle, Athabasca, Legal, then Westlock and Barrhead.

Several briefs were laid at the door of the ministers from the St. Albert and District Chamber of Commerce, the Community Planning Committee, the Town Council, the St. Albert Public Library Board and also an individual brief from Gloria Shade of St. Albert suggesting "improvement in the life of the Retarded from the cradle to the grave." An individual brief was also presented concerning better garbage disposal at public campsites by Lorraine Moore.

The Chamber of Commerce brief was presented by Gerry Belke, the town council brief by Mayor Ray Gibbon and the Community Planning brief by Margaret Smith.

Presentation of briefs was preceded by breakfast, then after this Mr. Miniely gave replies to the briefs inviting Miss Hunley and Dr. Horner to do the same.

Sixty-five breakfasts were served up for the occasion.

Highlights of the town council brief were a request to remove an inequity in the municipal assistance grant, and a concern with equalized assessment for school foundation fund purposes.

They favoured a ring road and green belt corridor to prevent the growth of a large urban mass. The brief also suggested that simpler procedures be set in motion when public works were required in another municipality.

It was pointed out that efforts by the council of St. Albert to locate major industrial expansion have been frustrated and the brief recommended that a reasonable tax base be provided which included industry and commercial enterprises.

It was also recommended that a point system be set up so that municipalities could share, withput increasing taxation, that portion of income tax collected for the Province based on the income of the residents in a given municipality.

A suggestion was made that the delegation of Ministers familiarize itself with the contents of a brief concerning municipal regional government, following a feasibility study request from the towns of Morinville, St. Albert, the villages of Gibbons, Bon Accord and Legal and the Municipal District of Sturgeon No. 90.

Earlier, a brief from the Community Planning Commission re-emphasized the need for a rapid transit system between St. Albert and Edmonton.

The brief from the St. Albert and District Chamber of Commerce supported the building of a major industrial park outside the present boundaries of the town but outside the green belt area.

It was also requested that the Government assist St. Albert in the development of a light industrial park to locate suitable manufacturing firms to the site.

Hearing held on Akinsdale rezoning

A public hearing regarding rezoning NE 34-53-25-W4th (an area located in Akinsdale, the south-east portion of St. Albert, east of the subdivision of Forest Lawn) drew discussion from several residents at the Council meeting held on Monday, September 9,

Mayorality candidate, Mr. Richard Plain, asked for clarification on the problem which is giving rise to the decision to seek rezoning of the area, which is currently zoned Agricultural, to Residential Single Family category (R1C). Mayor Gibbon responded by stating, "The total area came up for rezoning from A to R1C now because of the fact that this area is pretty close to the proposed ring road which we now understand is not even proposed - they don't even know where it is. The area was held up by the Edmonton Regional Planning Commission through a tabling by the Department of the Environment, twice." The Mayor stated that portions of the area of Akinsdale were approved and others were approved conditionally based on the Highways Department's requirement for the ring road route and buffering specifications.

A period of discussion followed in which various members of council and Mr. Gordon, town planner, discussed the details of buffering, ring road route, and the condition of 149 Street which were pertinent to the rezoning decision as per the questions raised by Mr. Plain.

Mr. Thiele, a resident of St. Albert, rose to speak on the matter following Mayor Gibbon asking if there was anyone who wished to further comment on the subject. He stated that he held a fear that though the discussion was "academic at this point" that the Town may be in a position where it was unable to maintain the proper buffering if the Department of Highways located the ring road in a contrary location and the rezoning goes through. "If I may make this last comment, probably completely idiotic in the light of what you are discussing here, before the location of this road is known one should be a little careful in extending development," Mr. Thiele said.

Mayor Gibbon replied stating that he had reported the difficulties being faced in development on the southern boundaries of the town at a meeting with the Minister of Highways in February. "We asked him to give us an actual ring road alignment, by letter in April the alignment of the ring road was approved as shown on this particular plan. We immediately turned around, and in the case of all developers both to the west of the highway and to the south of the highway, we pointed out to them that there

District 3 honours dedicated service

A capacity crowd filled all the places in the Club Mocombo main hall for the banquet hosted by School District #3 to honour (in the words of Master of Ceremonies, Al Gagnon), "three dedicated and able people for extended service to their community." More important than being here to share in the presentations to be made this evening, he went on, your presence indicates your support of their future endeavours.

Mr. Gagnon's introduction of the head table, sprinkled with warm and humorous anecdotes on each, set a delightful informal and friendly mood which characterized the entire evening. Head table guests were Dave and Rose Fraser, Bertha Kennedy, Chris and Margaret McDonell, Jean and Vince Maloney, Joanne Gagnon, Father Jake Joly, Pat and Ernie Howrish, Sylvia Walsh, Kay and Steve Sieben.

Following dinner Sylvia Walsh, trustee, was called upon for the first presentation. On such a special evening, said Sylvia, it is difficult to think in what way we can really show what the hard work and dedication of these people has meant to our community. This evening is just a token - our small way to tell them how we feel. The heart and soul of our schools lie in a classroom, she said. The example which a teacher sets means more than the facts taught. Mrs. Bertha Kennedy set a sterling example - a fine example for her pupils and fellow teachers and the community at large. She also shared her outstanding musical ability - I have never known her to say no. Mrs. Walsh concluded her remarks with a poem which was exceptionally fitting as a tribute to Bertha. Com-

Continued on page 6

District #3 Trustee, Dave Fraser and retiring Superintendent Vince Maloney had occasion Friday evening to swap anecdotes during the tributes and presentations made to three retiring people from School District #3, at a banquet and dance arranged in their honour. Here they pause a moment to read the inscription on the plaque presented to Mr. Maloney. Chris McDonell and Bertha Kennedy and Mr. Fraser were also honoured on this special occasion for the community.

Uncles week focuses on need

There is just one purpose of Uncles at Large Week, September 9 to 15, and that is to recruit Uncles in view of a backlog at present of 400 fatherless boys whose lives would be enriched in many ways by the effort of an Uncle.

Jim Ballantyne, past president of the St. Albert Chapter of Canadian Progress Club, which sponsors the program says that the local chapter has four uncles, Dr. Bruce Allenby, Larry Kowalzyk, Dr. Lindsay Guthrie and Martin McKay involved with four boys: David Van Anhout, Jody Ducharme, Garry Ball and Gordon Charter, and they would be happy to hear from any local fellows who would be interested in joining the program. An Uncle need not be a member of the Progress Club, or vice versa said Mr. Ballantyne, but the club is going full tilt to help alleviate the shortage.

Boys are healthy and normal in the main, and are selected for the program because they do not have fathers - through death, divorce or separation. Uncles are special says Dave Ward, who has been associated with the program for some years, not because of a tremendous

Cabinet Meeting

Continued from page 1

The brief went on to say that the Chamber of Commerce supported as a top priority the development of the downtown core. It also mentioned that further exploitation of the river bottom land should be stopped immediately.

The brief urged the Government to look at ways of developing a Sturgeon Valley Park for recreation but with the understanding that the responsibility of building such facilities did not rest with the present population of St. Albert.

The final point of the brief was that the Chamber of Commerce was opposed to the concept of annexation to Edmonton.

However the brief pointed out that this did not mean that the town would not cooperate with Edmonton in areas like transportation, sewer and water. It was against any development that changes the aspect of the present green belt area.

In other matters a brief was presented to the cabinet tour concerning inequities in provincial library funding as this affects the town library. The brief was presented by Librarian Don Mills.

A final brief presented to the cabinet tour from Mrs. Shade requested urgent action for the needs of our retarded citizens.

Following the presentation of briefs Mr. Miniely invited replies from the other ministers, quipping, "We don't feel we're very far from you in St. Albert; we have more regular opportunities for talking to you than most."

In brief here are some of the replies which the cabinet delegation gave to those attending the meeting.

Regarding the ring road and the green belt Dr. Horner said the Government was in favour of maintaining the environment by solidifying the St. Albert green belt and tying this in with transportation network requirements such as the rapid transit system and the ring road.

Dr. Horner said that "whatever developed in Edmonton would tie in with St. Albert and Sherwood Park."

Concerning library policy Miss Hunley said she was aware of the shortcomings of the funding system here and also pointed out that a change in library policy was being considered. She said an extensive report was being prepared in this matter at the request of Minister for Culture, Youth and Recreation, Horst Schmid. Thus it was hoped to bring the provincial library policy on a par with the rest of Canada.

Regarding services for the retarded, Miss Hunley said this would have top priority though at present things were not going as quickly as everyone would wish; nevertheless she pointed out that this would be brought to the attention of the Minister concerned.

Dr. Horner emphasized that services for the retarded would have to be a community program.

On the question of industrial parks for St. Albert Mr. Miniely said a decision was imminent on this point and that all assistance would be given in the servicing and acquisition of industrial parks.

Public Hearing

Continued from page 1

would be no construction within the boundaries of that ring road including the buffering. At the present time we do not know where the ring road is going to go because the Minister of the Environment changed its path, this happened on March 25. We have letters from the Department of Highways stating that we should not service certain portions of the area to the south of the ring road boundary as outlined because it would be costly to purchase that land. We then have a further letter from the Minister of Municipal Affairs stating that at the present time there is the present time it is not even known if there is going to be a ring road." The mayor went on to state that the Ministers have been kept fully informed and Coun. Throndson stated that they had been supplied with plans of the items which are being pursued in this regard by the Town.

Mr. Thiele went on to express his concern that the buffering would be insufficient. In this regard Mayor Gibbon consoled Mr. Thiele stating that the Department of Highways would allow for adequate buffering in the event that it was required.

Mrs. Margaret Smith, candidate for Council, brought up three points of concern asking for clarification first on the size of the ring road, and the advantage of following the route depicted on the proposed map The mayor pointed out that the advantage existed in the fact that property would not be disrupted, but in view of present conditions, the Town was proposing the location of the ring road "the Council have gone on record," he said, with the three Ministers concerned as having the ring road actually cut south along the Town boundary and into the flight path. That is the only change proposed by the Town and we have heard nothing at all yet in reply to that submission."

Mrs. Smith raised the point about delays in the establishment of sidewalks, and the finishing of roads within the subdivision of Akinsdale. She questioned whether consideration was being given by Council re: compensation for Mr. Osadchuk, (whose crops had been damaged as a result of construction of a dam by the developer) if compensation was due.

Mayor Gibbon informed Mrs. Smith that investigations were underway regarding Mr. Osadchuk's claim, and pointed out that the sidewalks and other services were to be put in prior to the residents moving in if possible. The mayor went on to state that the major part of the slippery conditions experienced on the Akinsdale area roads was a result of residents bringing in fill dirt, top soil and the like. Coun. de Bruijn pointed out that a resolution of Council had been passed which called for a clause to be included in development agreements which would cover the contingencies mentioned.

Mr. Plain queried Council regarding water supply for the area in the light of the Sept. 6th article appearing in the Edmonton Journal which reported urging that a tough stand be taken by the City Council regarding the water line to St. Albert. Mr. Plain's point was that this might be a further hardship, bringing about further water rationing, as development continued in this area of the Town.

The mayor pointed out that meetings had been held with the Deputy Ministers of Environment and Municipal Affairs and Council was assured of a fairly rapid hearing on the line. The mayor stated that he did not see much problem in getting the water line started, and in operation by the 15th of May, and if there were problems the Department of Environment would be approached for a stop work order on all development in the Town.

Discussion continued on the matter of a possible water shortage. Mayor Gibbon stated that he had held private discussions with members of the MD Council and had been assured that the MD would not hinder the construction of a water line. "I honestly believe we will get consideration from the City of Edmonton," the mayor stated, "if not, in private conversations with people in the MD I have been assured that they are not going to cut off our water as the saying goes."

Coun. Hudson moved that the public hearing on the matter cease "in the interest of the people awaiting appointments, I think that we are going off in a direction that is not directly related." Council voted 6 to 1 in favour of closing the hearing, Coun. Lukay voted in opposition.

TENDERS

FOR THE CONSTRUCTION OF THE KINSMEN RCMP CENTENNIAL CENTRE, ST. ALBERT.

Tenders will be received at the office of the Architects until 2:00 p.m., Friday, September 27, 1974, and endorsed 'Tender for the Kinsmen R.C.M.P. Centennial Centre, St. Albert.' Five per cent Bid Bond to accompany each tender. Plans and specifications available to General, Mechanical and Electrical contractors from the office of the Architects, upon deposit of $100.00 certified cheque, refundable upon return of documents in good condition within one week of tender closing. Sets of documents have been deposited in the Edmonton Construction Association offices. Sub-trades shall be submitted through the Edmonton Branch of the Alberta Bid Depository Ltd.

Town of St. Albert

NOMINATION NOTICE

SECTION NO. 53
TOWN OF ST. ALBERT

PUBLIC NOTICE is hereby given that I will attend at TOWN CLERK'S OFFICE, TOWN HALL, CIVIC CENTRE ST. ALBERT on WEDNESDAY, the EIGHTEENTH day of SEPTEMBER, 1974 from TEN o'clock in the forenoon until TWELVE o'clock noon, for the purpose of receiving Nominations of Candidates

FOR THE OFFICE OF

1. MAYOR FOR THE TOWN OF ST. ALBERT FOR THE NEXT THREE YEARS,
2. SIX COUNCILLORS FOR THE TOWN OF ST. ALBERT FOR THE NEXT THREE YEARS,
3. FIVE SCHOOL TRUSTEES FOR THE ST. ALBERT PUBLIC SCHOOL DISTRICT #3 FOR THE NEXT THREE YEARS,
4. FIVE SCHOOL TRUSTEES FOR THE ST. ALBERT PROTESTANT SEPARATE SCHOOL DISTRICT #6 FOR THE NEXT THREE YEARS,
5. THREE HOSPITAL BOARD MEMBERS FOR THE STURGEON GENERAL HOSPITAL DISTRICT #100 FOR THE NEXT THREE YEARS.

Given under my hand at ST. ALBERT this THIRTIETH (30) day of AUGUST, 1974.

R. B. BOWEN,
RETURNING OFFICER.

NOTE: Nomination papers may be obtained during office hours at the Town Clerk's office, Town Hall.

Local lawyer seeks Council seat

Mr. Garry Wetsch of 26 Fleetwood Crescent has announced his intentions to file nomination papers for the position of town councillor in the forthcoming civic election, October 16.

Born in Camrose, Alberta Mr. Wetsch took his elementary, high school, and university education in Edmonton. He graduated from the University of Alberta in 1971 obtaining bachelors' degrees in Arts and in Law. He is now engaged in the practice of law in Edmonton.

Garry and his wife, June, moved to the Forest Lawn area of St. Albert in July, 1972.

This will be Mr. Wetsch's first experience in the field of politics and he feels a candidate faces a difficult and delicate task in this position. A town councillor, he believes, more than any other politican is comparable to a corporate director who must make decisions based upon general policies and objectives.

While he does not think St. Albert is ready for annexation with the City of Edmonton at this time, he says the town must keep an open line to the city council and its commissioners as whatever happens in the northwest area of the City immediately affects the town. More importantly it will dictate the geographical appearance of the southern boundary in the future, he observed.

Mr. Wetsch stated that the influx of thousands of residents into St. Albert has put a severe strain on the town's services and recreation facilities. It is essential in his opinion that the idyllic environment presently enjoyed by the citizens is preserved, and he believes an immediate program must be instituted to provide additional recreation services.

On the matter of services his position is that council must take immediate steps to commence construction of the water line between the Rossiyn pumping station in the City, and the Sturgeon Heights reservoirs.

Mr. Wetsch feels strongly that the Sturgeon River valley must be preserved, with particular attention being paid to the numerous ravines which run back from the river valley.

It is the duty and obligation of the town council to support and encourage local service clubs and their work in developing the recreational, social and cultural life of the community.

He commented also on the questions of the downtown

GARRY WETSCH

area and additional shopping centres, and believes there is a definite choice to be made by council: either to encourage the development of regional shopping areas, or to encourage the development of a downtown shopping core, with minor shopping centres in the outlying areas. We should take immediate steps to ensure the prosperity of the downtown area and, only when population growth demands it, should we look to large regional shopping centres, said Mr. Wetsch.

Certain steps should be taken immediately to co-operate with the City of Edmonton in the development of a modern freeway system from the Groat Road area to the southern boundary of the Town of St. Albert.

In the development of any town projects and services, a councillor is faced with the questions of revenue and Mr. Wetsch said the residential taxpayer is basically the sole source of revenue, with the exception of government grants. If St. Albert is to preserve its entity, it must have a healthy economic base, he said. But he does not want, nor does he believe the citizens of St. Albert want, the influx of industry into the town per se. However he thinks the town can invite industry into a specified area, and place stringent requirements on that industry to provide to conform with local and provincial health and environmental regulations.

People who wish further information, or desire to help with the campaign may telephone 459-3858.

deBruijn will run for council seat

A senior member of St. Albert Town Council, Mr. John de Bruijn who was first elected in 1962 after the town came under New Town status, told the Gazette Tuesday that he will seek office in October for his fifth term.

Mr. de Bruijn is a director of Employee Relations and Property Management for the Trucking Division of Pacific Western Airlines and the family have made their home in St. Albert since 1960.

Those who follow the affairs of town council find Councillor de Bruijn a consistent and rather predictable performer. Asked why he said "I have always supported a balanced budget." He doesn't believe in deficit financing, rather "pay as you go."

He would support a continued growth - "because it is easier for many to pay for good facilities than for a few." As a matter of fact, he said, the few can't support them - giving as an example a covered swimming pool. St. Albert is producing a fine calibre of swimmers, who need year around facilities Mr. de Bruijn added.

He also supports the development of a General Plan, but feels there is a great deal of misunderstanding as to what a general plan constitutes. A general plan is a philosophical document, he said, which generalizes in land uses, transportation systems and population forecasts for a specific area. It must be flexible, he emphasized, and can never be construed as a finite document - rather such a plan is a guideline.

I would also like to go on record, said Mr de Bruijn, as supporting a major shopping centre on the Shapiro site, adding that he took this position after careful consideration of the alternatives before council. Transportation, overall benefit to the community, availability to residents, and the shopping habits of the people have all been taken into these considerations, which have been going on for about two years, he said.

Mr. de Bruijn has also served (as a member appointed by town council) on the Sturgeon General Hospital Board, since its formation in 1964. This time the St. Albert Council has decided that the three St. Albert members should be elected to the Board. Asked how he felt about the change, Councillor de Bruijn said that as long as board members are elected by the public at large, there is no conflict of interest. He is undecided whether he will run for the hospital board.

Asked what he thought about the rate of growth of St. Albert, he responded immediately 'the rate of growth cannot be legislated - adding that the town has been able to balance the budget through growth.

"I realize the pressure put on school boards by rapid growth he went on, and believe assistance should be given by the province in this situation.

He would support Municipal assistance also from the Provincial government, on an allocation of points of the existing income tax. In as much as ours is one of the highest in Canada, stated Councillor de Bruijn, it would create no hardship -

JOHN de BRUIJN

given also the increase in resource revenue to the province. He felt that if this was done, young couples would see a direct benefit from the Provincial part of the income tax they pay. He definitely does not, however, advocate increasing the provincial share of income tax, stating rather that municipalities should realize some assistance from the present rate.

In conclusion Councillor de Bruijn said he would support location of industry within the boundaries of St. Albert, for reasons not only of assessment, but for job opportunities for young people, and for older people who now have to drive back and forth to work.

PARTY LINE

The telephone number to call to contact the St. Albert Parish Kindergarten is -- 458-0441, which is a change from what is was when the St. Albert Directory was printed. Residents are requested to make note of the change in their copy of the Directory.

The Way We Were in The Working World

The current issue of the St. Regis news carried the following list of office rules, posted in 1872 by the owner of a carriage works, as a guide to his office employees. We thought our readers would enjoy it too.

Shorter work hours . . . more vacation time . . . a better retirement plan . . . a higher salary.

At some point, all of us have wished for those things

Since the first Monday of next month is Labor Day - a special day set aside to honour you and all people who work - it might be worth considering how much better off today's average worker is than his or her predecessors.

For comparison, the following list of office rules was posted in 1872 by the owner of a carriage works as a guide to his office employees:

*Office employees will daily sweep the floors, dust the furniture, shelves and showcases.

*Each day fill lamps, clean chimneys, and trim wicks. Wash the windows once a week.

*Each clerk will bring in a bucket of water and a scuttle of coal for the day's business.

*Make your pens carefully You may whittle nibs to your individual taste.

*The office will open at 7 a.m. and close at 8 p.m., except on the Sabbath, on which day it will remain closed. Each employee is expected to spend the Sabbath by attending church and contributing liberally to the cause of the Lord.

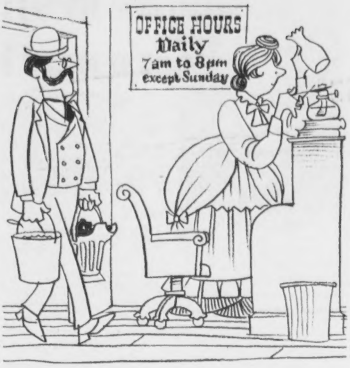
*Men employees will be given an evening off each week for courting purposes, or two evenings a week if they go regularly to church.

*After an employee has spent his 13 hours of labour in the office, he should spend the remaining time reading the Bible and other good books.

*Every employee should lay aside from each pay a goodly part of his earnings for his benefit during his declining years, so that he will not become a burden on society or his betters.

*An employee who smokes Spanish cigars, uses liquor in any form, or frequents pool or public halls or gets shaved in a barber shop will be a good reason to support or suspect his worth, intentions, integrity and honesty.

*The employee who has performed his labors faithfully and without a fault for five years will be given an increase of five cents per day in his pay, providing profits from the business permit it.



Register for crafts at Sunday Fair

This evening's Gazette contains the list of classes that the St. Albert Arts and Crafts Guild is offering this fall. Registration for these classes will be held at the Arts and Crafts Fair, Sunday, September 15, 2 - 4 p.m. at Sir George Simpson School. The Fair will feature displays of work done by instructors and past students of the various classes, and demonstrations of such crafts as pottery, macrame primitive weaving and children's creative dance. And puppet instructor Don Mills will present a puppet show at 3 p.m. Everyone's welcome to attend the Fair.

Many exciting classes for adults, teens and children will be offered, some for the first time. Women who are newcomers to St. Albert may be especially interested in a "Ladies First" class that will offer different craft demonstrations and a chance to socialize with others who are interested in arts and crafts. And weavers will be glad to know that now a loom weaving class will be offered in addition to primitive weaving which has always been so popular. A complete list of course descriptions is available from the Public Library or the main desk at Town Hall.

In addition to the loom weaving class that will be offered, there will be a weaving workshop for those with a basic knowledge of weaving who would like to share knowledge and techniques with other weavers. Those interested are invited to attend a meeting in Room 5 at the Arts Centre on Sept. 25 at 8 p.m. From there the group will plan to meet on a regular basis. For those who don't have their own looms, looms may be rented from the Arts and Crafts Guild. Supplies will be available at cost.

to the Editor

Shopping Centre site

The Editor:

I would like to reply to Mrs. Stibbe's letter in the September 4, 1974 Gazette regarding a major shopping centre.

I agree that St. Albert needs a major shopping centre very much especially at the rate the population is growing. The present Shopping Centre is much too small for a Town of our size. The parking at Grandin Mall is a nightmare and Safeway is frequently out of many important items.

I disagree though that the Shapiro site is the best place for a major Shopping Centre. Town Council has not spent considerable time studying the site because they were not given enough information by the developers and have little idea what the developers propose to put on the site.

There is also a few difficulties with the Shapiro site, not the least of which is that the land is zoned Residential Comprehensive and I believe it would be a breach of faith on the part of Council to rezone the land to Commercial.

We on Grandin Road bought our homes believing we would live in a residential area not across the street from a Shopping Centre.

Also, Council seems to place too much importance on Grandin Park. Almost all the facilities in St. Albert are located in Grandin Park. To put another Shopping Centre in Grandin would be unfair to the rest of St. Albert.

In closing I would like to urge all concerned citizens in St. Albert to attend the public meeting soon to be called by Council and let the Town and the developers know what the people want.

Mrs. Diane Wozniak,
Grandin Park.

Concerned

The Editor:

I am very concerned after reading Mr. Jamison's account of a meeting with the Ministers and Municipal Affairs, Environment, Highways and Transport, and the Mayor and members of Council from St. Albert in the August 28th edition of the Gazette. This meeting was reported to be held Monday, July 20, but in fact was held on June 20, 1974.

The main purpose of this meeting was to discuss, with the Cabinet members, a prepared submission pertaining to certain financial difficulties facing satellite communities, such as St. Albert, in the belief such situations can best be overcome by working together and understanding the responsibilities entrusted to us as elected persons. I am convinced the meeting provided the ministers with a greater insight into some areas of concern faced by the Town of St. Albert.

St. Albert took advantage of Provincial Legislation (which has now been changed, but was referred to by the Minister of Municipal Affairs at a Municipal conference as the St. Albert loophole) allowing communities to charge a collection fee, which in fact, gave homeowners a tax relief in 1973.

This meeting proved worthwhile, with the ministers promising to look into certain aspects of St. Albert's financial difficulties.

Myrna Fyfe,
Councillor,
St. Albert.

Library Features Unusual Display

The St. Albert Public Library is featuring an unusual display in the coming weeks. It is a three story doll house made and decorated by two local girls, Janelle Culp and Alison Green, both 11, of Gilmore Cres. But their's is a doll house with a twist - it is inhabited by a family of 13 trolls.

The troll house came to be last Christmas. It is a three floor, fully furnished, nine room home with a large balcony inhabited by the Trollen family headed by Grandpa Trollen, a pediatrician who operates an ice cream parlor on weekends, the girls report.

The rest of the family are typical Trolls - Noisy, Active, Messy homebodies.

Trolls never grow over five inches tall. They originally came from Denmark although Janelle and Alison have a rare Hong Kong Troll living in Troll House right now.
now.

The imaginatively decorated house complete with the Trollen family and an accompanying tale are on display at the Public Library.

Mr. and Mrs. Carl Mescouski do not go in for ornamental gardens and lawns about their house at 104 Grosvenor Blvd, as one can see from the picture. The major crop of pumpkins has rather an interesting history: During last winter Mrs. Mescouski threw pumpkin seeds outside her back door and following the spring thaw Mr. Mescouski rototilled the garden to get rid of the growth of weeds. Rather than eliminating the profusion of wild growth, the tilling just seemed to spread it out until it completely covered the back yard. It was soon discovered that rather than weeds, the growth was pumpkin plants. The crop should yield several hundred pounds of good sized pumpkins. Caution to garden raiders . . . this garden is closely watched by the authorities!

Horse Show at Equestrian Manor

A horse show scheduled for this weekend at Equestrian Manor is going to be the first of its scope in the area.

The cross-country event covers two miles and consists of 20 fixed jumps, the most comprehensive competition of its type ever scheduled in this area. Other events will be dressage, scheduled for Sunday at 10:30 The cross-country event will be held on Saturday afternoon.

Gold, silver and bronze medals will be awarded for each event and cups will be awarded for the first, second and third high point of the show. These prizes have been donated by local firms. Entries have been received from Edmonton, Calgary and Red Deer.

A spokesman for Equestrian Manor reported to the Gazette on Tuesday that everyone is invited to come and watch the events and a barbecue will be put on with food supplied.

District 3 Chairman will run for office

ERNEST HOWRISH

I am grateful to the Gazette for the opportunity to indicate my intentions to seek re-election to the Board of Trustees of St. Albert Catholic School District #3.

In serving on the School Board for the past three years, with the last 18 months as chairman of the Board, I have found my term to be a challenging but interesting experience. I will seek the support of Catholic ratepayers mainly upon the value of continuity in the future planning, development and progress of the St. Albert Catholic School District. Certainly, although there is significant value in new people bringing new ideas, new procedures and fresh points of view, it is my contention that there is also some value in previous experience and continuity in fulfilling well developed long range plans.

I would like to suggest that during the past three years the St. Albert School District has shown significant progress along many areas of educational matters by means of a well distributed balance between new ideas and procedures, along with the experienced and previously established practices. I will seek the electoral support for the opportunity to continue my involvement with the St. Albert Catholic School District for the next three years.

I would again like to make known that I am married; we have one daughter of school age; I have received my M.Ed. degree from the University of Alberta in educational administration, and am employed as a school principal with the Edmonton Catholic School District. Your support for my re-election would be gratefully appreciated. Thank you.

District 3 Officers Retire

Continued from page 1

ing forward to reply, Mrs. Kennedy received an outburst of applause.

Thank you to all of you, she said simply - and especially to the school board - always generous and ever considerate. Thanks to principals - tremendous people and Mr. Maloney - my first principal. Before that I had been in country schools - and was used to being my own boss, and not having to kow tow. Mr. Maloney is one of the finest people I know, she said, and I have judged succeeding superiors by how they measured up to his standards. I'm going to miss all of it - the children particularly, she said, but I will still keep my choir. Mrs. Kennedy who has been with District 3 since its inception in 1958, and has taught for over 20 years, including several years with Sturgeon Division and the Mission Park school, received a standing ovation as she returned to her place. She had been presented with an engraved plaque, a long Service cash award and a gift certificate for $100.

Chairman of the Board, Ernie Howrish, paid tribute to Chris McDonell, retiring secretary-treasurer. Most of you are aware, he said, that Chris was born and raised in St. Albert. His parents were married in St. Albert Parish in 1895, Chris was a sports enthusiast in younger days and baseball and hockey teams were supported by Chris and a couple of other McDonell brothers, said Mr. Howrish. He held a number of accounting positions in Edmonton and in 1957 went with Sturgeon School Division. On March 1st, 1959 he became secretary-treasurer for District 3. Since then many people have come to admire this very fine gentleman, said Mr. Howrish. He thought Chris would miss working with lists and columns of figures, budgets and financial statements. He will be with the district a few more months, but we have suggested he spend less time with figures and much more time with his wife and such pursuits as golf. Mr. Howrish presented Chris with a gift certificate which was designed for the purchase of a more stylish golf outfit, a long Service award, and said Ernie, something less monetary, but more meaningful, an inscribed plaque with a message of appreciation.

This is quite an occasion, said Mr. McDonell, a time in a person's life when he looks back to see if he has fulfilled his obligations, and to think of people he has worked with. Mr. McDonell worked under four Ministers of Education, four superintendents, and, in St. Albert District some 25 trustees, plus other personnel. Out of all these, we have been treated like princes, he said. He spoke of his Dad and Mom, saying it was possibly fitting, for I am the youngest, that I should come back to St. Albert and retire here. "Looking out front," he said, "I am honoured to have the rest of that McDonell family here tonight."

Dave Fraser, retiring trustee made the presentation to Mr. Vince Maloney. "This is a great evening said Mr. Fraser, and thinking of Mrs. Kennedy and her definition of enterprise reminded me of the old days. When spring came we all got out and calcimined the walls. It was a pleasure working with Chris he said, who was always sure we could solve the problems and helped.

Mr. Maloney he said was a grandfather now and in the fine old Maloney tradition had raised 11 children. Raised on a farm, Vince went to Vegreville High, and then to Camrose normal school, where he learned a little more than was in the curriculum, said Dave - but got caught. Dave had a number of amusing anecdotes about Box Socials, a poker game in Rimbey, some experiences in Vauxhall, RCAF days and how he made probably the best decision of his life when he married Jean in 1943. He told how Mr. Maloney completed his Bachelor of Education degree and became vice-principal in Ponoka. That's where the golf began, said Dave, and I don't know how he found time to become superintendent, he played so much. And then St. Albert, with a population of 1,200, where he was first a principal and then superintendent. He guided the Board through a difficult period through growing pains and we are greatly indebted to him said Mr. Fraser, teachers, trustees, students and parents. He also served on town council, but most of all he is a fine person and this evening is a simple testimonial to him and to Jean for their contribution to our community. Vince will also be out on the course with a new golf outfit and was presented with inscribed plaque and Long Service award.

"I am deeply touched by these comments said Mr. Maloney, and also very appreciative of my friends who are here this evening. He was reminded of some words by MacDougall - "If a man lives even in a little village, and if he has even two or three friends, he can feel his life has been successful. I have made many friends - one of the finest things I have achieved, and I confirm Dave's opinion about that decision in 1943. To find peace and tranquility in a happy marriage is a wonderful thing he said. He made a plea for something he had always tried to accomplish - bringing parents and people closer to the schools.

A telegram was read congratulating Vince on 30 years of teaching, when I am trying to make it through my first week, and signed Jim (his son). Daughter Marion Ford also paid tribute to Vince and Jean on behalf of the family, in a sincere and appropriate manner.

And then it was Vince's turn to pull a surprise and on behalf of the Board and made a presentation to Dave Fraser, "who helped and encouraged us, sacrificed many late evenings and was a tower of strength over 12 years." Mrs. Fraser was presented with a beautiful bouquet.

Dave was obviously much surprised - and said this portion of the program had been a well guarded secret. I will cherish this award and value my experience as a trustee, he said.

Dancing and visiting continued to the wee hours with Rock Holman and his band on stage.

Uncles Week

Continued from page 1

I.Q. - or a great deal of money or other gifts - Just because they care!"

Mr. Ballantyne noted that the program had been registered with the Province last year and the Progress Club now looks to being registered nationally as well. It cost $50,000 last year and will be more this year, he said, and there are only five clubs in the Edmonton area to raise the funds. Salaries are paid to two full time psychologists and one secretary who works out of the Family Service Bureau and does screening and counselling work. There are now two clubs in Calgary who are involved in Uncles there

The St. Albert club has upwards of 30 members and was chartered on May 24, 1973. In Jim Ballantyne, recently appointed Deputy Governor for the Western Region, the young local chapter has produced for the time a western officer in a national position. Jim and his wife Karen and John and Jean Epp left on Sunday for Halifax to attend the National Convention of Canadian Progress Clubs. Their motto is "It's great to be a Canadian" and there are no branches in any other country.

The St. Albert chapter also sponsors the Hercules boys soccer and girls softball, supporting economically or socially disadvantaged young people. Progress clubs in Vancouver sponsor workshops with the mentally handicapped and in Toronto they support disadvantaged children at the school level, providing milk and other items.

National project is aiding and assisting the deaf and they have built a centre there for this work. With the help of the Rev. Bob Rumble, ex-halfback with the Ottawa Rough Riders, and the voice of the deaf in Canada for a long time, we are slowly getting going in this work, said Jim. Governments help, but not always properly, and we must learn from the deaf people themselves how to assist them to lead fuller lives.

The local Progress Club meets every second Tuesday for a supper meeting at the St. Albert Inn.

AROUND TOWN

** ** **

A long time resident of Riviere Qui Barre, Mrs. Beth Perrott is vacationing with her sister-in-law Mrs. Mabel Gervais. Mrs. Perrott now resides in Eugene, Oregon.

** ** **

There are those around town who have this week learned of the value and the pitfalls of putting cigarette boxes to uses for which they were not intended - Is it not so Mrs. L belle?

Bakker seeks re-election

In a release received by the Gazette, Councillor John Bakker has announced his intention to seek re-election on Council for another three years. Councillor Bakker first came to Council in 1964 and, with a break of one year from 1970 to 1971 for his sabbatical leave in Europe, has served on Council as an independent and active Councillor.

The release states Councillor has shown initiative in the past and has put forward many ideas for the betterment of the Town (University location, bus transportation, off-site charges, and many others) and he feels he has yet plenty to contribute to the Town. Councillor Bakker will again be an independent candidate and will not be part of any slate or organization. In order to be sure of that independence he will, as before, not accept campaign contributions from anybody. His campaign will be entirely financed from the councillor's fees he received in the past number of months.

JOHN BAKKER

He promises to put as much information as possible before the electorate in his campaign and also hopes to get better participation by the electorate in determining answers to the issues now facing the Town.

Councillor Bakker is a Professional Engineer and is an Associate Professor in Civil Engineering at the University of Alberta where he teaches transportation, planning and municipal engineering; subjects that have been useful in his work on Council. He also consults to Edmonton, other cities or consultants on public transportation or transportation planning. He has lived in St. Albert since 1960, is married and has five children, one dog and three gold fish (his entire campaign committee).

Councillor Bakker will appreciate your support at the polls.

The St. Albert Kinettes installed a new executive at their meeting September 3, held in St. Albert Inn. Seated are Clara Matear, treasurer; Beryl Shoults, president and Colleen Pomoty, secretary. Standing are: Linda Stewart, director; Nomy Hite, past president; Linda Higginson, director; Ev Mitten, bulletin editor and Diana Speake, registrar. The club welcomed five new members that evening: Diane Stewart, Yvonne McDermid, Sherrill Skistod, Sharon Ewart and Margaret Backhouse. President Beryl says a major effort of the club in the coming year will be supporting the Kinsmen in their project to build a new community centre for St. Albert.

Committee approves water agreement

The Committee of the Whole voted 6 to 0 in favour of accepting the water agreement between the City of Edmonton and the Town of St. Albert at the meeting held on September 3. Coun. Bakker moved that the committee accept the agreement as amended, (as suggested in the town's letter and the answer received from the City of Edmonton dated August 22), and that the town's officers be authorized to sign such an agreement.

Mayor Gibbon replied to a question raised by Coun. Lukay, as to when progress on the subject would be apparent, by stating that a meeting was held with the Department of the Environment regarding the difficulties in gaining water right-of-way. Referring to the meeting, which took place on August 29, the mayor stated it was "pretty well assured that number one: the Deputy Minister of Municipal Affairs and an appointee by the Deputy Minister of the Environment would contact the Commission Board regarding the agreement requirement of the M.D. of Sturgeon." The mayor pointed out that the MD were insisting that people within a one mile radius of the water line be hooked in and that this had to be done prior to any approval being granted for the construction of the water line.

"It was also pointed out," the mayor continued, "that the Town of St. Albert could apply to the Local Authorities Board for the actual hearing and that the LAB had been contacted by the Deputy Minister of Municipal Affairs and it was his understanding that this would be a fairly quick hearing."

The mayor stated that he had made it known that the town had to have an answer by the end of September. "The Deputy Minister of the Environment and the Deputy Minister of Municipal Affairs agreed that this was very necessary," the mayor said.

The mayor stated that he had suggested that an order come out from the Department of the Environment which would stop all development in the town if the line could not be completed in time and was told that this was impossible due to the fact that they had also ordered a sewer and you must have water for sewer facilities. "So it is pretty definite that we are going to get some quick action one way or the other," the mayor said, "that is why I recommend, in the second last paragraph of my report, that a resolution be approved that the application for hearing with the Local Authorities Board go forward if there is a wrong decision from the City of Edmonton or if there is a delay in that decision. In other words this application should go forward on or about September 11 or 12."

Coun. Lukay asked what would be involved in terms of time in this matter and the mayor quoted the date as May 15 for completion of the project. Further to this, the mayor stated that engineering, certificates of title and etcetera was proceeding. He also stated that the preferred route would involve traversing one mile of the MD of Sturgeon while the alternate included two miles of the MD. The one mile route follows a road allowance and approval could come from the Minister of Highways regarding this route.

Coun. Hudson noted that there may be difficulties with tenders and perhaps other difficulties such as shortages in materials. Coun. Lukay suggested that these types of problems could be specifically reported upon and Coun. Bakker suggested the Town investigate the possibility of purchasing the materials needed. He moved that the matter be investigated and in the event that a tender is not received, this would enable the Town to proceed with the project with their own resources having the materials on hand.

The motion before the committee was that the town research the feasibility of purchasing the materials for construction of the water line and Coun. Lukay moved that the motion be amended to the effect that the proposed May 15 completion date be investigated as to its feasibility. The committee voted 6 to 1 on the amendment (Coun. Throndson opposed) and voted 7 to 0 carrying the motion as amended.

The recommendation put forward by Mayor Gibbon that the matter be referred to the Local Authorities Board received a vote of 7 to 0 in favour.

A cost breakdown was moved by Coun. Lukay who felt such information was needed though other members of council stated that they felt such information unnecessary at this time. The motion received a vote of three in favour and four opposed, Coun. Lukay, Bakker and Fyfe voted in favour of the motion.

At about 5:25 on Thursday, September 5, the building which was located on the corner of Mission Avenue and Perron Street was brought to a crashing end when the walls were pulled out from underneath the roof. This was accomplished with the aid of a tow truck and the muscles of Larry Ricard, Frank Ricard, Clyde Allen and Harv Allan. From start to finish, the demolition of the deserted grocery store building took three days.

Capital Cable T.V. to introduce Community Video

Capital Cable T. V. will be cable-casting from their first community video channel from a St. Albert studio, located at the Sturgeon Plaza starting October 1st. Initially it will be operating for two nights per week.

The accent of the community video programming lies in community related material and it will only be received in the St. Albert area via cable 11. An early series planned is entitled 'This is St. Albert' and it will be a video illustration of the character of the Town.

Mr. Jack Follett, program co-ordinator, and Mr. Ernie Poscente, program manager advise that the programming will rely heavily on community input. Mr. Follett reports that workshops will be offered to instruct interested persons in the use of equipment and the many other phases of television program production. Participation is on a voluntary basis and those involved in the operation of the studio feel that the interest generated by the studio will be great as the public becomes aware of the opportunity available.

Interested people can contact Mr. Follett by calling 465-6571 with their ideas for programming, or if they would like further information on the branch studio. Mr. Follett states that the opportunities for programming are unlimited.

Trustee Walsh seeks re-election

Trustee Sylvia Walsh announced today that she will seek re-election to her third consecutive term on the public school board. Mrs. Walsh is the senior incumbent seeking the public board office in the forthcoming civic elections.

She is the wife of Sergeant E. M. Walsh, Sgt. and Mrs. Walsh reside at 30 Gresham Boulevard and have one son and one daughter.

Mrs. Walsh has had a long and continued interest in educational issues. Until recently she taught school. She is an honours graduate of the University of Alberta where she also did her post-graduate work (masters level), including the supervision and evaluation of student teachers. She plans to eventually continue studies at the doctoral level. Her field of specialization is elementary education.

While on campus, Mrs. Walsh participated actively in student and professional organizations. More recently she has served on the executive of the Ladies Auxiliary to the Edmonton Policemens' Association. Mrs. Walsh has participated in numerous community projects with keen enthusiasm, including her work with the Cub Movement. She is presently on the board of the St. Albert Historical Society. An active hobby she continues to pursue is that of free-lance writing in the fields of natural science and Western Canadian History.

Since becoming a trustee with the #3 district, Mrs. Walsh has had signing authority for the board and ha been responsible for obtaining the monthly bank statements (capital, current an payroll accounts) for th board office. She has atten ded the Administrator Council meetings regularl for the last four years. Mrs Walsh has made two forma submissions to the provin cial department of education, one on the Worth Report and the other on Curriculum Development.

She has served on the Scholarship Committee, the Policy Handbook Committee, the Religion Committee, the Textbook Rental Committee, the French Language Committee, the Communications Committee and various social committees. During the RCMP centennial year, Mrs. Walsh was the board's representative at the local RCMP Centennial Committee meetings. Mrs. Walsh also helped to initiate and organize the widely-acclaimed St. Albert RCMP-Student Essay competition.

Mrs. Walsh states that St. Albert's phenomenal rate of growth necessitates promp construction of new schools. "It is most disconcerting to school authorities when the costs of materials escalate from day to day. Matters in this area are in an unbelievable state of flux right now. Inflation has reached all areas of our school operation, including the cost of school furniture, books, audio-visual materials, paper and all school supplies. Equally frustrating as the inflation issue is the procrastination and 'red tape' involved in constructing a new school. For instance, our board is at a stage of opening a new school next year. We are already filled to capacity. Heaven help us if we have to go through another two and half years of meetings, policy changes and 'red tape' before the next new school is constructed!!"

SYLVIA WALSH

"On the positive side of the ledger, are the recent developments in early childhood education. We are gradually getting closer to having a universal kindergarten system that is staffed with highly competent teachers."

Mrs. Walsh is pleased with the expansion of pupil personnel services. "Our students are all individuals with varying rates and types of growth and development. It is so very, very important that the school system help each student to develop to his or her best potential. In spite of various counteracting social forces, I think that our schools are in a better position to do this than ever before."

"Our Instructional Materials Centre plays a very vital role in our curriculum programing. It has continued to expand and will hopefully continue to do so in the future."

Mrs. Walsh would like to see the system of student awards expanded to include the elementary and junior high grades. "Up to this point in time, our awards system has been limited almost exclusively to the high school grades. There is really no logical reason for this."

"Except in some very specialized areas, our board has been able to obtain all the teaching personnel required by our system. We have people of excellent calibre working in our schools and must endeavour to maintain high standards. We are also in the process of expanding our system of bursaries to help our professional staff to develop further. Our teacher aides and other supporting staff are providing valuable services in our schools. The community use of schools is increasing and I am certainly in favor of this when tainly in favour of this.

"When all is said and done," Mrs. Walsh says, "I am first and foremost a classroom teacher at heart. My prime concern lies with the individual child in the learning situation. That child is what it is all about!! If we, as trustees, should ever lose sight of that, we might as well throw the towel in. Whatever a school board does or does not do should be in terms of that child. We should at all times endeavour to help EVERY single student within our system to develop to his or her fullest potential so that that student can handle the challenges of the future in a meaningful and satisfying manner. Mind you that's a mighty tall order in these trying times but with the type of concern and interest that parents in St. Albert have so consistently and sincerely demonstrated it can and will be done!"

SPORTS

By Larry Mitchell

Registration for the St. Albert Kinsmen Minor Hockey was well underway this past week with more than 600 boys registering at both St. Albert sport shops. Two of the boys registering Saturday at the St. Albert Sportshop were Myron and Marvin Polis, nephews of New York Ranger star Greg Polis. Myron Polis Sr. and Ken Pollon of the Sportshop look on. Registration will take place all this week at St. Albert Sportshop and Ozzies Cycle and Sports with the final registration taking place at the Grandin Clubhouse this Saturday from 9 a.m. to 12 noon.

Bruins draft 11 players

St. Albert Bruins drafted 11 graduating players from the Edmonton Juvenile League in the first player draft of the Capital Junior Hockey League. A total of 54 players were drafted in 11 rounds by the six team members. Two of the players in Andy Hassen and Bob Anderson are from Denmark and both went to Stony Plain Flyers, coached by Glen (Mr. Goalie) Hall.

St. Albert's first pick was a defenseman, Brent Schulte from the Curtis-Hover Juveniles team. Defense was a sore spot on the Bruins last season for coach Ken Schwartz and it showed in the draft as he recruited four defensemen. He also picked up three goaltenders and four forwards. All players are expected to come out to the team's opening practice which should be around the first week of October. Only six of the 11 players drafted will be able to make the team, due to the import rule. This will give some 12 local and district players a place on the team.

No players from St. Albert were eligible for the draft as they are automatically on the Bruins protected list. In order to play for another team they will be required to obtain a release from the Bruins Hockey Club.

All of last years players are expected back as the age limit has been extended to 20 years of age, with the exception of Bobby Lallis who is scheduled to play in Taber this season in the Alberta Junior League.

NHL's New Four Division Look

Toronto MAPLE Leafs
Toronto Maple Leafs
California Seals

(Final Division standings, not points, will count for playoff positions at end of schedule. First three teams from each division will make playoffs. Four division winners get byes into quarter-finals).

Bantam Footballers lose close one

An 80 yard touchdown run by Ken Corrigan with less than two minutes to play in the game gave the Canada Safeway bantam football team a close 20 - 12 win over St. Albert's Carma Developers squad Saturday morning at Kinsmen Park. The loss for St. Albert was only the second since joining the Edmonton and District Bantam Football League two years ago. They now have a win and a loss in two starts this season. They won their opener 60-0 last week over the Ladies Quarterback Club.

St. Albert were the first on the scoreboard thanks to a 105 yard run up the middle by fullback Rod Wiltshire on a handoff from quarterback Paul McCann in the opening quarter. At the end of the half Safeway had a 12 - 6 lead on two touchdowns, one on a sweep and the other coming on a blocked kick. St. Albert came back in the third quarter to tie the game with Paul McCann scoring on a one yard plunge. The touchdown was set up by two long passes from McCann to Jordan Johnson. With only a couple of minutes left on the clock it appeared the game would end in a tie but the St. Albert defense allowed Corrigan to get outside on a sweep and he went all the way for the major.

Coach Rick Suggitt and his staff were a little upset at the poor tackling of the team and practices this week should correct the problem. Joe Tworek punted well throughout the game.

St. Albert's next league game will be this Sunday, Sept. 15 at 10 a.m., when they take on Foley Electrical Contractors. Foley have lost both league games as CHQT upset them 46-6 in the opener and Dairy Queen scored a 12-0 win last week.

The winner of the clubs raffle on a coloured T.V. was won by Mr. P. H. McIntyre of St. Albert. All members of the team would like to thank all people who bought tickets.

Kinsmen Minor Hockey

Parents of boys wishing to play hockey in the Kinsmen Minor Hockey League this year are reminded that registrations are being taken at St. Albert Sportshop and Ozzies Cycle all this week and will end on Saturday. Registrations will also be taken at the Grandin Clubhouse by the swimming pool on Saturday, Sept. 14 from 9 a.m. to 12 noon.

To date some 400 boys have registered and by the time all registrations have come in it is expected that close to 1,500 boys will play this winter. That means a lot of volunteer help will be needed in the coaching level and any interested persons can fill out the bottom of the registration form or contact Mr. Norm Tate at -- 458-1111.

Monarch Fastball Playoffs

The Edmonton Monarchs and Calgary Braves are scheduled to play the third and fourth games of their often rained out Western Major Fastball League playoffs tonight in a doubleheader starting at 7:30 p.m. at Clarke Park.

The first two games were played in Calgary last night although no scores were in as we went to press. The series will be a best of nine with the winner receiving the "Tainsh Trophy" won last year by the Winnipeg Colonels. Monarch's finished in first place in regular scheduled play this year and took the Molson Cup.

The series with Calgary should provide some excellent action for the fans if the weatherman co-operates Calgary will have the edge in hitting whereas the Monarchs with Pete Brown, Dale Smith and Lindsey Hassen will have the upper hand on the mound.

Monarch coach Howie Singer feels his squad is set to go and predicts that if the boys play as they are capable of, they will win in seven games.

An added incentive for winning the W.M.F.L. championship is the opportunity for the team to play one of the top teams from Sun Valley, Idaho in a Canada/America playoff to be held at the home of the WMFL champ.

ST. ALBERT LADY CURLERS ANNUAL GENERAL MEETING

The St. Albert Ladies Curling Club will hold their general meeting Tuesday, September 24 at 8 p.m in the Curling Rink lounge. All lady curlers are asked to attend.

Tennis club plans windup events

The St. Albert Tennis Club is planning its season wind-up tournament this coming weekend, Sept. 14 and 15 at 9 a.m. each day. The entry deadline is Wednesday, Sept. 11, and fees are $1.50 for the first event and 50¢ for each additional event. Juniors are welcome to enter the tournament and partners can be arranged for those who wish it. Please phone Angela Miller for further information (459-8728).

The closing junior tournament (singles only) will be held Sunday afternoon at 1 p.m. in order to determine the winners of the major trophies for the top junior boy and girl.

Ed Barclay, tennis pro at the new indoor Mayfield courts (soon to be completed) will be giving a free promotional clinic (for those persons who may have an interest in joining the new club) on Wednesday, Sept. 18 at 6:30 p.m. Those persons interested in attending this clinic are requested to phone their names to Judy Wood by Monday, Sept. 16 so Ed will have some idea of the numbers he will be handling. In the event of rain the clinic will be held the following evening at the same time.

The club family tournament will be held Sunday, Sept. 22 at 11 a.m. Each player plays with a member of the immediate family (both members) so there can be husband-wife, parent-child or brother-sister combinations. Those who do not have a tennis playing club member in the family will have partners arranged by the tournament committee. A trophy will be awarded for the first time this year.

The club final party will be held Friday, Sept. 27. Those members interested in coming are asked to notify Cynthia Sage by Sept. 24.

Sturgeon Ladies Golf News

Recent weekly competition winners were Bernice Cook and Val Anderson; Doreen Kettles and Asta Bilan.

Flora Burry shot a 98 on September 2. She will be receiving a "Break 100" pin from the Alberta Ladies Golf Association for her fine game of golf. Congratulations Flora!

Six members travelled to Redwater last Wednesday to take part in a ladies tournament. Bernice Cook won the low hidden hole prize.

One game remains to be played in the club championship. Flight winners will be announced when this game has been played.

Plans are underway for the annual fall banquet, meeting and presentations of prizes.

Weather permitting more results will be announced next week.

Meeting will discuss new badminton club

The executive of the St. Albert Badminton Club voted unanimously at their last meeting to see whether there are enough interested "recreational" badminton players in the town to establish a new badminton club. The present badminton club has found it very difficult in recent years to cope with the increasing number of people interested in playing badminton in the town. The club had a record number of 99 members last year and found that this had a detrimental effect on attendance.

For the first few months in particular there are so many persons attending (up to 40 a night) that it is common to have to wait 1/2 hour between games and only get to play about three or four games an evening. The core group of the present club is basically competitive (and interested in tournaments and the city interclub league) and feel that they are thus not meeting the needs of the average recreational player who just wants a casual game on a regular basis (without a long wait).

The club executive feels that with the increasing population in the town (and the necessity to limit membership in the present badminton club) that there are enough persons (including past members of the St. Albert Club) to form a new club. With a view to establishing an executive for this new club there will be a meeting Monday, Sept. 16 at 8 p.m. at the tennis clubhouse. Those persons willing to serve in an executive position for this proposed new club (as well as those waitclub (as well as those wanting further information) are asked to phone July Wood at 459-8696.

How WHA Will Look

CANADIAN DIVISION:
- VANCOUVER BLAZERS

ST. ALBERT RECREATION HIGHLIGHTS

SWIMMING:

Unfortunately the hoped-for Indian summer hasn't happened and the pool is therefore closed for public swimming.

Articles lost and found at the pool are being brought to the Recreation Department at the Town Hall where they must be claimed within the next two weeks.

ARTS & CRAFTS:

An advertisement giving information about the classes being offered by the St. Albert Arts and Crafts Guild appears elsewhere in this issue. Registrations will be taken at the Annual Fair which will be held on Sunday, Sept. 15 between 2 and 4 p.m. in Sir George Simpson School, Grosvenor Blvd.

PHYSICAL CULTURE:

Classes in physical culture, conducted by Margaret Thomson, will start on Thursday, September 12 in Sir George Simpson School. An eight-week course will be given on Thursdays for the following age categories the 7 - 11's from 6 - 7 p.m. (cost $3.25); the 12 - 16's from 7 - 8 p.m. (cost $4.) and adults from 8 - 9:30 p.m. (cost $6.50). The adult class will include 17 year old at a fee of $4.00.

Registrations are being taken at the Recreation Department in the Town Hall or at the first class. Classes will be cancelled if there is not sufficient response.

Physical culture is a combination of creative dance, free and rhythmic movement in which every muscle is used to attain grace, suppleness and flexibility. It is a wonderful way for girls to achieve muscle tone, co-ordination and good posture - and as it's all done to music, a very pleasant way.

CHILDREN'S GYM:

Registrations are being taken at the Recreation Department for the children's gym classes which start on Tuesday, Sept. 24 in Vital Grandin School, Sunset Blvd. Kirsty Marshall will instruct the classes which will be held for the 4 - 5 year olds from 4 - 4:45 p.m. and for the 6 - 8's from 5 - 5:45 p.m.

The cost is $5 for the 10 week session.

FIGURE SKATING:

A general meeting of the St. Albert Figure Skating Club will be held on Thursday, Sept. 19 at 8 p.m. in the Grandin Clubhouse (beside the swimming pool).

The business of the club will be discussed: program, fees and timetable as well as skating equipment and the availability of private lessons, etc. It is important that parents attend this meeting; coffee will be served and there will be time for discussion and finding out how the club operates.

Registration forms containing information about times and fees will be distributed. They should be completed and brought to registration which will be held on Saturday, Sept. 21 in the Grandin Clubhouse. The time for registering in the different levels are as follows: C, F, S, A and preliminary dance - 11 a.m. to 12 noon and for the National program and pre-beginners (Penguins) from 2 - 4 p.m. (Please note that the pre-beginners is NOT a learn-to-skate program).

Don't forget the meeting Sept. 19 at 8 p.m. in Grandin Clubhouse.

POWER SKATING:

Registration for power skating will be held on Saturday, Sept. 28 at the Grandin Clubhouse, 5 Grenfell Avenue between 10 a.m. and 12 noon.

This, like figure skating is NOT a learn-to-skate program but children taking it will learn to control their skates.

HOCKEY:

Registration for hockey will be held in the Grandin Clubhouse from 9 a.m. to 12 noon on Saturday, Sept. 14.

Information about the Provincial Hockey Coaches Instructors' Workshop is available at the Recreation Department in the Town Hall. The workshop will be held on Friday, Saturday and Sunday, Sept. 27, 28 and 29 at the University of Alberta.

Y-NEIGHBOURS:

Registration for the Y-Neighbours program, sponsored by the YWCA will take place on the first morning of the 12-week session, Monday, Sept. 16 at 9:30 a.m. in the Community Hall. The cost is $12 plus $2 for each child.

Mothers can enjoy a two hour weekly program of keep fit followed by a demonstration or talk (suggestions are always welcome) while their pre-schoolers are looked after downstairs in the Community Hall. The program is conducted by Kirsty Marshall.

.... CLIP AND KEEP FOR REFERENCE ....

Accident victim was popular student

By Marilyn Pelletier

Michelle Dupuis, the victim of a recent accident, was born in Edmonton on March 21, 1961. She had lived in Morinville since Grade 3, and was a grade eight student at Georges P. Vanier School at the time of her death.

Michelle was a keen participant in sports, excelling in basketball, volleyball and track and field competitions. She often competed in long distance running, high jump and was a fine swimmer. Her ambition was to become a veterinarian, and horseback riding along with caring for animals took up much of her spare time.

Michelle was a very active girl. She helped her mother in her beauty salon, and was often called upon to babysit in homes of local residents. In spring she helped her father in their greenhouse. She really loved the beautiful flowers but sure hated pulling weeds.

She had a terrific personality, was known for her ready wit, practical jokes and was liked by young and old alike.

One thing the town really needed she felt was recreation facilities for teen-agers other than the pool hall. Michelle wanted very much to organize a riding club in Morinville.

She was so well liked that the Wednesday evening funeral found St. John Baptiste church full, and many people standing outside. The pallbearers consisted of classmates, and old friends.

Youville appoints new administrator

SISTER COULOMBE

Sister Rita Coulombe has been appointed by the Provincial Council of the Sisters of Charity (Grey Nuns) of Alberta, to be the new administrator of the Youville Home at St. Albert. Sister Coulombe started her new duties on August 23 replacing Sister Fernande Michaud who leaves for theological studies at Ottawa.

Sister Coulombe was born in Legal and received her basic education there prior to joining the Grey Nuns in 1943. She graduated in Nursing at the Holy Cross Hospital in Calgary following which she obtained her Baccalaureate in Nursing from Marguerite d'Youville Institute in Montreal. From 1965 to 1971 Sister Coulombe was the Director of Nursing at the Holy Cross Hospital in Calgary. For the past three years she has been involved in pastoral work for St. Mary's Parish at Calgary. Sister Coulombe brings to her new position a wealth of experience in the health field. Her many friends and acquaintances in this area will be pleased to know of her new appointment.

AROUND TOWN

Brian and Jean Kane of Sunset Boulevard had planned on a quiet drink with a few friends to celebrate their 25th wedding anniversary. However their good friends the Tooths, Fees and Jean Mowatt had other ideas. Brian and Jean were lured to Jean Mowatt's home on the 27th of August where 35 people had gathered to wish them well. Their three children, Rod, Barry and Jaynie-Ann presented their parents with 25 silver dollars. Friends and neighbors gave the Kanes a beautiful card and a monetary gift. In town to help them celebrate the occasion are Mr. and Mrs. Dave Whitehill and their son Ian from Winnipeg. Mr. and Mrs. Whitehill had attended Brian and Jean's wedding.

Legal dehydrating plant to open in spring marks some firsts for district farmers

Preparations are well in hand for the construction of a new Alfalfa Dehydrating Plant on a 10-acre site at the north end of the last elevator in Legal, with a target opening date of April 1st, 1975.

A group of 49 local farmers and businessmen have formed a company which will own and operate the plant and they have hired a manager, Mr. Maurice Daoust who will be supervising construction and progress of the plant with periodic inspections. He will take over full time on March 1st, 1974.

Land surveys have been completed, and testing shows very good conditions of hard clay. The Board is presently buying hay and have equipment at work building stacks.

Behind the sod turning ceremony soon to be arranged is an interesting story of investigation which took three of the directors of the original Provisional Board to central United States last February on a tour which was the first of its kind ever arranged with an independent group of Canadians.

Mr. Victor Douziech, Provisional Board chairman, Lucien Provost and Maurice Chauvet were given a warm welcome and the utmost cooperation by representatives of two firms, Mr. Livingston of Guaranteed Performance, and Mr. Len Parker of M.E.C. They supplied a private plane and pilot, rental cars and arranged every detail of visits to many plants in the area. Qualified people were on hand throughout to answer questions and supply information, and the Canadians were going strong for 18 hours a day over four days.

We were looking at inviting a million dollars, said Mr. Lucien Provost, and the more information we could check out, and the more ideas we could pick up, the better off we would be. That tour in Kansas and neighboring States, he said was particularly profitable since we saw plants which had been operating up to 30 years, and their people pointed out mistakes that they had made, which we could avoid. Their help in choice of equipment and other matters will, we hope, be for the betterment of the Legal plant, and we came back with a broader view of the industry as a whole.

MARKET SITUATION GOOD

They learned that in the United States permits are not issued to build dehydrating plants of this nature because of a lack of natural gas. This puts Canadian plants in a very favourable marketing position, said Mr. Provost, since the United States home consumption of alfalfa pellets is increasing at the rate of 10 per cent per year, and they have also been supplying pellets to Japan. In a year or two shortages are expected in the central, eastern States and they expect to be importing pellets. Britain is experiencing shortages also, he said.

The Directors of the Legal plant have already made contacts on marketing possibilities and arrangements with the Americans and the Asian markets.

ANOTHER FIRST IN THE OFFING

While in the United States the Legal group also had a session with people from soy bean production and marketing groups on the feasibility of cars carrying alfalfa pellets to the States, returning with soy beans to help feed Canadian mills. Such an arrangement would be the first experiment with this kind of two-way switch, and Mr. Provost feels he will become further involved in inter-governmental exploration of this possibility.

The Directors also visited most of the dehydrating plants in Alberta including both of those in Falher. The Legal plant will be similar to the smaller Falher plant, but all provisions have been made to double its size - perhaps in 18 months time, said Mr. Provost.

In addition the Board was in contact with all the plants in Saskatchewan learning of their difficulties and successes.

The most recent step which they feel certain is in the right direction was engaging the services of Mr. Daoust who will be making a permanent home in Legal with his wife and family. For the past five years he has been general manager with a dehydrating plant in northeast Saskatchewan and prior to that farmed on his own for 18 years. He served on the planning committee of the most modern plant in his area and the Board is very happy to have him, said Mr. Provost, adding that he has the most experience of anyone available for the Legal plant.

Members presently serving on the Company Board are Lucien Provost, President; Walter Van de Walle chairman; Roger Vansevenanelt, vice-president; Emile Coulombe, secretary-treasurer; Maurice Chauvet, Paul Ledet, and Rene Maurier, directors.

REPORT FROM PARLIAMENT
Stagflation has arrived

By Stan Schellenberger

Canada has just completed its first quarter of stagflation - that is, high inflation combined with no increase in the gross national product.

Statistics Canada recently reported that in the second quarter of this year inflation reached an uncomfortably high annual rate of 14.5 per cent while the country's gross national product remained the same.

Apparently, the Canadian economy had continued to expand strongly until the second quarter while most of the other industrialized countries, such as the United States, Japan, and Britain had recorded sharp slowdowns or declines in the volume of production.

The United States, for example, has suffered declines in its gross national product during the first two quarters of this year. This trend fits a popular definition of recession: a drop in the gross national product in two successive quarters.

This trend towards a recession in other countries has begun to be felt in Canada as one of the main sources of weakness in the second quarter resulted from declining exports. Canada depends heavily on exports and is consequently strongly affected by the economic situations of other countries.

Other weak spots in the economy during the second quarter were a slowdown in the growth of consumer spending and a substantial decline in business capital investment in such things as new plants and equipment. The latter being caused to a large extent by strikes in the construction industry.

Walter R. Lawson, president of the Canadian Manufacturer's Association recently said: "Inflation has reached such proportions that it now threatens our whole economy and national standard of living." I'm afraid that I must agree with him.

Harvey Atkinson seeks re-election

Harvey Atkinson is seeking re-election on Morinville Council for a second term. During his first term Mr. Atkinson's particular responsibility on the council was Fire Department, Recreation Board and the Sturgeon Foundation (Senior Citizens Home in Legal).

Some of the objectives as Mr. Atkinson sees them for the improvement of the town are:

1) Better street lighting.

2) The rebuilding and repaving of the main street.

3) More parks and playgrounds.

4) An ambulance service is needed.

5) Future development of Heritage Lake into a fine camping and picnic spot that we all can be proud of.

Mr. Atkinson would like to see the town grow in a controlled manner. Growth, he said, is essential for any town to survive. He feels there should be more use made of the Recreation Board as it has a direct line to the Town Council.

Harvey was born in Camrose and is presently an architectural draftsman in Edmonton. He is a family man with four children and five grandchildren. The Atkinsons' are avid square dancers and time and weather permitting enjoy spending weekends at their cottage at Nakamun Lake.

Triplet calves are seen with their mother on the farm of Andrew Lutz, eight miles northwest of Morinville. The calves were born August 14, without any assistance. At birth each weighed 30 - 45 lbs. and Tracy, Trevor and Travis are doing well. Standing in the picture from left to right are Zoe Anne Belter from Lucerne, Quebec, Susan Lutz, Stacey Belter and Ken Lutz. Dr. Klavano at the Provincial Veterinary labs reports that the incidence of triplet calves is about one in 110,000 births, and that multiple births are higher in dairy cattle than in beef. Often all are not delivered alive, he added, noting that in his 10 years of private practice he never delivered live twin calves. Calves weighing only 35 or 40 pounds he said could be more easily delivered if there was no tangling in positions.

Overland Restaurant opens on Trail

George Mah well known to Edmontonians because of his Westmount Kitchen will officially open his new Overland Restaurant at 12960 St. Albert Trail Tuesday.

Located in the Bonaventure Industrial Park, Mr. Mah chose the name Overland because the property was known to Alberta pioneers as Overland Place.

At the turn of the century Overland Place was about half-way between Edmonton and St. Albert and pioneer settlers going north to homestead in the Peace River area travelled through it. Men seeking gold in the Yukon during the 1235 gold rush also stopped off at Overland Place.

When driving to the Overland Restaurant from the city you go north on the St. Albert Trail from the 125th Avenue round-about and after going through the underpass the restaurant is located at the second turn to the left.

Artistically furnished at a cost of $200,000 the Overland decor stresses the pioneer motif with decorations seen as a miniature team of oxen pulling a covered wagon, an antique horse collar, kerosene lantern, butter churn and wooden beer keg.

Mr. Mah who has operated the Westmount Kitchen in the Westmount Shopping Centre for the past 17 years says that about 50 per cent of the customers during the past month are people who were customers at the Westmount Kitchen which he still operates.

Doug Mah, well known to Edmontonians because of his long association with the Seven Seas was brought out of retirement to oversee the efficiency of the Overland and also act as public relations director.

Linda Leung is the restaurant manager and hostess under George Mah and heads a staff of 25 people all experienced in preparing and serving both Canadian and Chinese foods.

The Overland dining lounge will seat 124 diners and the cocktail bar holds 41 when food can also be ordered. An extension will be added to the building soon which will provide a fast food service during the day and will be used as a banquet facility at night.

The Overland will be open Monday to Thursday from 11:00 a.m. until 1:00 a.m. and on Friday and Saturday they

WANT ADS

will stay open until 2:00 a.m., on Sunday the hours will be from 4:00 p.m. until 10:00 p.m.

A free delivery service will also be provided daily from 4:00 p.m. to 2:00 a.m. within a seven mile radius of the Overland Restaurant.

"Customers have their own choice of food at my restaurant. If is not on the menu all they have to do is ask and we will prepare it for them," said Mr. Mah.

The Overland Restaurant will also prepare an authentic Chinese dinner for ten people when given an advance notice of 48 hours.

The extensive menu at the Overland ranges from filet mignon and New York cut steaks to lobster tails, fried chicken and rainbow trout and many other dishes all cooked on the Overland's Ray-glo broiler.

For those who wish Chinese or Cantonese style food there are a wide range of combinations to order from, for instance there are ten types of chicken dishes such as almond chicken, tomato chicken and even oyster chicken.

They also serve eleven different seafood dishes such as tomato shrimps, butterfly shrimps and succulent fried garlic crab plus fried lobster and delicious sweet and sour pickerel.

There are nine different beef and pork specialty dishes served at the Overland which include a house special called the Overland beef steak and also Cantonese chow mein.

Locals from Legal

By Lucienne Montpetit

The teaching staff for the Legal School for the term 1974-75 are as follows: Gr. 1 - Mrs. Monique Joly; Gr. 1 and 2 - Sr. Dorilla Simard; Gr. 2-3: Mrs. Rachel St. Onge; Gr. 3 Mrs. Louise Regimbald; Gr. 4 Mrs. Paulette Tremblay; Gr. 4-5 - Mrs. Louise Slobogean; Gr. 5 Miss Helen Kieran; Gr. 6 Mrs. Germaine Nault; Gr. 6 Miss Mariette Tremblay; Gr. 7 Mr. Raymond Tremblay; Gr. 8 Mr. Alan Armitstead; Gr. 9 Miss Lucienne Rondeau. High School - Jeannine Keane, Mr. Eric Hesse Mr. Anthony Dipinto; Mrs. Anita deOcampo; Peggy Taylor; Mr. Walter Zientarski; Mrs. Patricia Montpetit; Mr. Dixon Keane, principal. A warm welcome to the new teachers and good luck to all the staff for another good school year.

To all guides and new recruits, make plans now to join the Company this fall. The program will include a variety of entertainment with a weiner roast for the opening session.

Nominations will be open for the position of councillor on the village council on Sept. 18 from 10 a.m. - 12 noon at the Municipal Building. If you want to fil nomination papers for school trustee you should do so on Sept. 18 from 10 - 12 noon in the Board Room in the new addition.

An organizational meeting for the mothers of the Brownies and Guides will be held at the Rec Centre on Sept. 24 at 8 p.m. We still need another Brownie leader if you're interested in helping out the girls contact Jeanne Maurier 598-2515.

The Blanchette families and Mr. and Mrs. Roger Ouellette entertained their relatives from the east last week. Father Alexandre Beaudet accompanied by his brothers Victorian and Alphonse from Lobiniere, PQ enjoyed their Western hospitality and had no words to describe their trip to Banff and Jasper with Roger and Celarine.

Sincere condolances to Paul and Laurent Champagne also to Mrs. Georgette Prefontaine who are mourning the loss of their dear brother Francis who passed away on Sept. 5.

Get well wishes are extended to Mr. Leo Maurier who is a patient in the Sturgeon General Hospital.

Ten girls from 1st Legal Company spent seven days under canvas for their August camp. Despite rain, cold winds, everyone enjoyed their stay at Swat Camp in Bon Accord. At camp were 30 other girls from three different Companies. The girls learned new songs, how to build tables, chairs, even their "lat" with only wood and strings. They would like to thank their two leaders - Mrs. Jeanne Maurier and Lucille Dube, also the Moms and Dads for making this possible.

Cabinet tour attracts large crowd in Legal

Over 200 people crammed into the Legal Community Hall last Monday afternoon to meet a cabinet delegation of three provincial government ministers: Dr. Hugh Horner, Gordon Miniely and Helen Hunley.

MLA Ernie Jamison in his introductory remarks told the audience this had been the biggest attendance yet during the Ministers' northern tours.

Mayor Joe Nault of Legal termed the meeting an historic event, significant because it marked a new period of relationships with the Government and the ordinary people of the province.

During the meeting briefs were presented to the three ministers, Dr. Hugh Horner, Deputy Premier and Minister of Agriculture, Solicitor General Helen Hunley and Provincial Treasurer Gordon Miniely. Each brief was dealt with immediately by either of the ministers before going on to the next item. The Government promised their help in each case, though cautioning that in some instances assistance might take time in getting through.

The meeting was ably chaired by Walter Van De Walle a councillor with the MD of Sturgeon.

Mayor "Snip" Loblick of Gibbons gave the first brief pointing out that community's dire need for an adequate water supply in view of projected growth in the community.

Ken Melech, president of Bon Accord Board of Trade, presenting his brief said he wanted a positive answer from the Department of the Environment about the repositioning of the garbage dump and said that at present the community's garbage was being dumped 15 miles away.

He mentioned the problems of a growing community such as vandalism and cited cases of window breaking, speeding off the highway and car thefts. He suggested there should be an increase in policing.

Mr. Melech felt there should be a fairer system of sharing out grants to the smaller communities; he also expressed dissatisfaction with the highway near Bon Accord wondering how many more deaths there would be till action was taken to improve things. He hinted at the towns enthusiasm for an industrial park and Treasury Branch

In another brief Councillor Leon St. Martin of Legal said that action was urgently needed for the town's water supply. On the present projection it would only supply the community's needs for another year. Mr. St. Martin also pointed out that many residents complained about the poor taste of the water, its high colour and bad odour.

He wanted improvements to the community's main street and a nearby section of secondary highway 635 pointing out that the main street was practically turned into a market road at times as it was often used by grain haulers.

Dr. Horner promised assistance with all these problems.

In a joint submission from Les Femmes Chretiennes, the CWL, the Knights of Columbus and the parish council, Madeleine Cornelius of Legal complained about abuses in the abortion law, disrespect for human life and the exploitation of sex and violence by the media. She said in this way the family unit was being destroyed.

Dr. Horner said that sometimes "we fail to take consideration of these things and take too much notice of the material things of life," and wondered if the Federal criminal code was being enforced strongly enough.

Next Paul Montpetit in his brief from the Club 60 Roses asked for help in funding recreation for senior citizens particularly in regard to a construction program. He said the organization still had a $3,000 debt in this matter. He asked for government aid till the venture established itself.

Miss Hunley promised to take the matter higher to see what could be done as so far Mr. Montpetit had had no reply from the Department of Culture, Youth and Recreation.

MD of Sturgeon Councillor Walter Jerram in a brief presented on behalf of the Agricultural Service Board of the District of Sturgeon gave his congratulations to the Alberta Government for its assistance to farmers but pointed out that the economic situation was bad for livestock producers. Prices were low he said and did not provide farmers with sufficient net income. He asked the Government for help so that calves would not have to be sold this fall.

Dr. Horner said the present economical situation looked to be only temporary and promised help to protect herds in Alberta.

Presenting a brief on behalf of rural residents Mr. Van de Walle expressed concern over the number of fatalities on the section of Highway west of Legal and asked for the placing of flashing lights at this section of road.

The brief pointed out the need for adequate municipal services for these residents, but the ability to pay for these was sorely hampered by the limited amount of assessment the community had. Mr. Van de Walle pointed out that much had been done to attract industry to the area in order to increase the tax base. He mentioned that a large oil company had promised to locate at Sturgeon but this had been hampered by a freeze on refineries within a 50 mile radius of Edmonton.

On the bright side the brief pointed out that March 1st next year an alfalfa plant would be starting in Legal and Dr. Horner was thanked for his help in this venture.

During the question period Marie Oligny of Legal asked what the government was doing to protect the rights of the individual against harassment from mental cases at large in the community, now that there was a backlash against confinement.

In reply Miss Hunley said the Government was sympathetic to the Mental Health Act and to those confined and to the people who may wish to take the mentally ill back into the community. She gave Mrs. Oligny a private hearing after the meeting. Mrs. Oligny is a social worker with the mentally ill and alcoholics at the Old Grey Nuns Convent next to the High School in Legal.

Keith Everitt asked for an amendment in the Municipal Election Act which would allow only the Reeve to run at large and represent the whole community.

Dr. Horner said the idea probably had some merit and he would see if the Act could not be amended.

Sturgeon Air Cadets had good summer

#524 Sturgeon Sqd., Royal Canadian Air Cadets, has had a very successful season, highlights of which were the summer camps. At CFB Penhold - Cpl. Hills, L.A.C. Quaghebeur and LAC Coulombe took technical training and LAC Van De Walle and LAC Schaffer took basic training. At CFB Camp Wright Sgt. Melnychuk and LAC Greschuck took venture training.

At CFB Rivers, Manitoba Cpl. Letourneau underwent glider training. F/S Loblick took the senior leaders course at CFB Cold Lake. Sgt. Moore and Sgt. Melnychuck were two of the selected cadets invited to represent Canada's youth in the Salute to Aviation at the Calgary Stampede.

Parades will start Tuesday, Sept. 10 at 7:30 p.m. in Bon Accord Community Centre. All boys and girls 13 years - 19 years are eligible to join the squadron. A new training schedule is planned for the coming year. Many field trips are planned for the squadron.

Sponsoring body and officer staff would like interested boys and girls and parents to present any questions on Sept. 10 at Bon Accord Hall.

LETTERS

Support appreciated

The Editor:

The Sturgeon River Agricultural Society wishes to express its sincere thanks to all those persons involved in the August 31st opening of the Gibbons arena.

Many of the dignitaries and representatives of community organizations present had to take time from busy schedules to be with us that day.

Thanks also to the many 4H Clubs who had displays in the arena. We appreciate the coverage of the Gazette in the September 4th issue, and radio station CFCW deserves a vote of thanks for putting Gibbons on the air.

To the people of Gibbons and surrounding area we extend an especially warm thank you for making all of the events as Rec Fest 74 successful, as well as being present for the memorable occasion of the arena opening.

We must apologize for the way in which we were prepared for the beer fest. We had no idea that so many people would have given their overwhelming support to this event. Perhaps we can make it up to you in some way at our next scheduled beer fest on September 27. The "Twilights," the band we enjoyed so much at the opening beer fest, will again be with us on September 27.

We hope that in the future you will all have many occasions to spend some time at the beautiful new Gibbons Arena.

Clarence Minchau,
President,
Sturgeon River Agricultural Society.

Removal of Four Room School — Legal

The Board of Trustees of the Legal School District #1738 request submission of proposals for the removal of the Legal School Building from the Legal School grounds. This four room building is on a cement basement. Condition of removal is that the concrete basement walls are broken below ground level and basement filled and levelled.

Tenders close - SEPTEMBER 30, 1974.

Submit offers in writing to -- Mrs. Yvonne Regimbald, Secretary-Treasurer, Legal School District #1738 Legal, Alberta. Phone: 598-2413.

Mayor Stapleton will seek 4th term

Mr. Art Stapleton who has been on Morinville Council since 1958 has announced he is seeking his fourth term as mayor.

Mr. Stapleton has a broad experience in civic politics, and is looking forward once again to working for the citizens of Morinville to the best of his ability. Here are some of the programs that the mayor would like to see fulfilled.

1) Better streets, curbs and gutters are in the process of being completed.

2) Dust control in the Town of Morinville is a prime concern.

3) A concentrated effort towards controlled economic growth which would embrace better recreation facilities from tot lots to senior citizens. Recreation is from the cradle to the grave.

4) Bring into Morinville, light industry, or heavy industry which will help offset an increase in operation expenses of the town.

5) To give to the people of Morinville good sound and economical government.

The Council meetings are open to any resident of Morinville and meetings are held every second and fourth Tuesday of each month.

Its our town, says the mayor, decisions made by council have a direct bearing on us.

ART STAPLETON

Morinville library news

With summer almost gone and the prospect of the long winter "indoors" ahead, a cheering thought should be that your library has many new books for your reading pleasure. So many books, what with gifts from the Canada Council, gifts from the Centennial Library new purchases of hard cover books, and our latest effort, over 200 titles in paperbacks. Fiction, non-fiction, hobbies, biographies, westerns, thrillers, both in English and French. Six new French titles arrived only yesterday from Paris. Books to cater to all tastes and interests one hopes. The children are not forgotten either. New Charlie Browns, horse stories, sports stories, fairy stories and other favorites. It is hard to know what to mention to suit all interests from such a wide choice, so why not join today, and see for yourself what we have.

To join town members are required to pay $1., children 50 cents. A once only fee to cover the cost of book cards and membership cards. You are not required to pay anything again, apart from fines on overdue books. Library hours are - Monday, 3 p.m. to 5 p.m., Tuesday 7 p.m. to 9 p.m., Thursday 3 p.m. to 5 p.m., Friday 3 p.m. to 5 p.m. and 7 p.m. to 9 p.m. Saturday 10 a.m. to 12 noon.

Royalty to visit Winter Fair

For the first time in the Royal's history, special tour arrangements have been made for farmers and their wives from across Canada to attend the Royal Agricultural Winter Fair and see something of Ontario's agriculture during their stay. Of particular interest is the visit of Her Royal Highness, The Princess Anne and Captain Mark Phillips as guests of the Royal during the tour period.

Participants in the tour, scheduled from November 12 to 20, will be provided with air transportation to and from any major city in Canada, eight nights' accommodation at the Royal York Hotel and Holiday Inn, and a four-day guided tour of some of Ontario's major livestock and farming operations, agricultural research facilities, a major combine manufacturing plant and Niagara Falls. A reserved seat at the Royal Horse Show during Princess Anne's visit is also included.

A colorful brochure outlining the complete tour itinerary and prices is available by writing to "The Royal Tour," Box 7195, Postal Station "A", Toronto, Ontario, M5W 1X6. A single copy of the brochure may be seen at the Gazette office

MORINVILLE MEMOS

By Marilyn Pelletier

The Harvest Ball held Saturday night was a huge success with approximately 400 people in attendance. The Cricket car being raffled off by the Agricultural Society was won by a Mrs. William Orbech of Morinville. Congratulations Mrs. Orbech we understand the winning ticket was purchased for her by Mr. Dave Pezer the same evening as the dance.

Upon returning home from work last Friday evening Rhonda and Art Stapleton were pleasantly surprised to find about 35 friends waiting to greet them. The occasion was a housewarming party for the Stapletons who recently moved into their new home in the new subdivision. They were presented with a beautiful patio set. Our mayor and first lady would sincerely like to thank all their friends who came to the housewarming. Art said he will have to rush to get the backyard done as he can't sit out front on the new patio furniture. Be sure to watch for our mayor in polka dot shorts and a martini in each hand on the front lawn.

We are happy to report that Bella Carlson is out of the intensive care unit at the University Hospital and will soon be transferred to the St. Albert Hospital for a period of convalescence.

The next meeting of the United Church Ladies Aid will be held at the home of Mrs. J. Robinson on Tuesday, September 17, starting at 8 sharp. Newcomers to the community are most welcome and encouraged to attend. For more information please call Jean Robinson at 256-3153.

BEN MONTPELLIER

We were sorry to hear of the passing of Ben Montpellier in his 59th year on Sept. 3, 1974. Mr. Montpellier was born and raised in Morinville. He leaves his wife Mary (nee Kaup) who is also of the Morinville area, three daughters and one son.

At the time of his death Mr. Montpellier and family were residing in Vancouver.

Mrs. Leonard Meyer and her son Ivan and daughter Ruby flew to Vancouver to attend the funeral of Ben Montpellier. Also on the flight were Ben's brother Gus, his sister Angela and brother in law Robert Montpetit.

Avadex*BW granules in the fall can save time and uncertainty in the spring. Fall-applied Avadex*BW herbicide hibernates through winter, gives early wild oat control in your wheat, flax, barley and rapeseed.

Put your herbicide down this fall and you can be ahead two ways next spring. You can save time that can be used for other planting chores. And you can avoid possible wet weather delays in your wild oat control program next spring.

Just apply Avadex* BW granular herbicide by Monsanto after October 1 and before soil freeze-up. Avadex BW will stay locked in the soil through the winter. Then it goes into action against wild oats early next spring Preemergent Avadex BW can control wild oats before they can rob young wheat, flax, rapeseed or barley of valuable moisture and nutrients. And Avadex BW can control wild oats that can rob you of yield. Leave an untreated strip to check Avadex BW effectiveness next spring.

Apply Avadex BW granular herbicide now — in the fall. Always read and follow the Avadex BW label directions.

Monsanto Canada Ltd., Montreal, Quebec.

Report from Bon Accord

By Sadie Allen

The Bon Accord Art Club will hold an organizational meeting on Thursday, September 19, 7:30 p.m. sharp, at the school. Everyone welcome. Come and find out about fees, materials, etc. The first lesson will be held Thursday, October 3 - the course- Painting 1, Dept. of Extension, University of Alberta. Instructor will be -- Gisela Felsberg.

The Bon Accord Lions will sponsor a turkey bingo on Wednesday, October 2 at 7:30 p.m. Cards are $1.50 each with extra cards 50 cents or three for a $1. There will be 20 regular games and a 50/50 game. All proceeds go towards the ambulance for the St. John Emergency Brigade. A vehicle has already been acquired and is in the process of being painted and fully equipped with oxygen tanks, masks, regulators, medical supplies, bandages, splints etc. It is hoped that the club will receive not only full support from the immediate district but from the surrounding areas as well. The services of the Brigade are available to an extensive area and the availability of an ambulance close at hand could be the difference between life and death.

Ethel Samis and Pat Reichle attended the Wildwood and District Agricultural Fair on August 16. In the Dairy Goat section of the Fair the Happiness Herd owned by Ethel came up with top honours, winning Junior Champion, Senior Champion, Grand Champion Purebred, Best in Show and Best First Kidder. Best Udder Doe award went to Mrs. Ruth Mausolf. The Happiness Herd repeated its achievements at Darwell, winning the Stall Competition Trophy donated by Mr. Don Grant - Ducky's Tavern, the Alberta Goat Breeders' Association Trophy for Grand Champion Purebred and the cup donated by the Motowylo family of Westlock for Best First Kidder. The Village Superette Trophy donated by Keith Whitson for Best Grade in Show was won by Mrs. Ruth Mausolf.

A series of craft classes are scheduled for the Bon Accord Community Centre with Oriental Cooking instructor, Mrs. Della Yuen Jung, on Sept. 18 from 8 to 10 - $2.50 plus supplies per person, class limited to 15. This is a six week course. A course in rug making - instructor Mrs. June Serediak, gets underway on Oct. 30 for four weeks. Cost is $2 per person plus materials. No limit to registration. A course in Christmas Decorations -- instructor Mrs. Pat Reichle, is slated for Nov. 27 from 8 - 10, and will run for four weeks at a cost of $2 per person. No limit. Pre-register with Pauline Mansfield or June Serediak or register at 7:30 p.m. at the Community Centre the night of the first class excepting the course in Oriental Cooking. A reminder that anyone wishing to participate in crafts or sport activity must have a community membership in the form of a share. These may be obtained from Doreen Hewitt for $10 per family.

A bake sale sponsored by a local club will be held in conjunction with the regular Saturday Market Day in the Bon Accord Community Centre on September 21.

The local TOPS (Take Off Pounds Sensibly) club already have a good membership. Interested persons are invited to join. Meetings are held regularly in the United Church on Tuesday nights at 8:15 p.m. The annual subscription is $7 with a weekly charge of 50 cents per meeting.

The Roman Catholic Women met in the United Church hall in Gibbons on September 4th with 12 members present. A Confirmation service with Bishop McNeil officiating will be held in the Sacred Heart Church in Gibbons at 7:30 p.m. on October 5. A special program of preparation classes will commence in the Bon Accord School on Sept. 10, immediately after school. Mrs. Carol Rivet was appointed director of religious classes and may be contacted at 298-2310 for information. Coffee will be served after the confirmation service. A cleaning bee is scheduled for the church on Thursday, October 3 at 9:30 a.m. Hopefully all ladies of the parish will turn out to do their share. The meeting also dealt with plans for the annual Chili supper with a tentative date set for December 1. Choir practice will resume on Saturday, Sept. 12 at 10 a.m. under the direction of Carol Rivet. Phone Carol if you are interested in joining or need transportation.

Are you saving your bottles and rags for the Cub and Scout drive on Sept. 28?

The meeting regarding the hallowe'en party held on September 8 was well attended. A new executive was chosen with Rose Ruth, 298-3931 as president; Donna Fleming, 298-3557, secretary-treasurer; co-ordinators for committees are: canvassing - Vicki Straughn, 298-3548; treats - June Serediak, 298-3589; entertainment - Mary LeBlanc at 298-3690; supervision-Dave Latta and John Chopp; costume judging - Gail Burnham 298-3964; decorating - Linda Ross; publicity - Mae Strawson (school) 298-3532 or S. Allen, 298-3541 for the Gazette. Residents in the rural area are invited to participate. Anyone wishing to volunteer his/her services may do so by calling the committee co-ordinator in charge. There will not be an overall canvass of the rural aread but anyone interested may make his/her donation voluntarily. A special evening for the 13 - 17's is being planned. A talk on the merits of the party in past years was given by Mayor Wm. Deedman.

Congratulations and many happy returns to Mr. John Bland on the occasion of his 75th birthday on Sept. 10 and Mr. Chas. Lewis on the occasion of his 83rd birthday on Sept. 17.

Saturday, Sept. 14 will be the final Market Day for the time being.

Registration for brownies and guides (each girl must be accompanied by a parent) will be held on Sept. 30 at 7:30 p.m. in the Bon Accord Community Centre, with the first meeting of the new season slated for October 7.

Bon Accord Mites added to their laurels on August 31 by winning top money in a tournament held at Gibbons. The boys toppled Redwater, league champs for Redwater - Pembina, in the first game by a 14-6 score and downed the boys from Horse Hills 14-6 in the finals. Congratulations to the boys and their coach, Roy Malanchen.

Bon Accord Council Report

All members of council were present for the regular meeting held August 19. However, Councillor Nicholson tendered his resignation at the close of the meeting as he is leaving the community. Mayor Deedman expressed a vote of thanks to the former councillor for his past services.

Councillor John West and Mr. Tom Hill, resident, reported on a recent visit to the Village by a representative of the Department of the Environment, when an inspection of the area in Block 2 which is subject to occasional flooding was made. The official's recommendations are now being investigated.

Further discussions will take place between council and an environment representative at the regular September meeting when sewage disposal will be discussed.

A letter from the Sturgeon Health Unit advocating the addition of Fluorine to the village water supply was read and discussed. This matter may be discussed with Dr. Howell or Dr. Hutchinson at a later date if the new council so decide.

There appears to be high degree of interest in the October 16th election. The new nomination papers are now available at the office. Mrs. Doreen Hewitt has been appointed enumerator by council. Jean Chubb, secretary, will act as returning officer.

Mr. Don DeGrandis, planner, attended the August 19 meeting to advise council of certain changes to the Zoning Bylaw, necessitated by Provincial legislation. The zoning map was also discussed, the only change being the zoning of Lots 8 to 13 inclusive, Block 7, Plan 5261 B.A. from residential to commercial.

Taxpayers are reminded that the discount period ends September 15. Next regular meeting of council - September 16.

ENGAGEMENT Announcement

Mr. and Mrs. James Draper of Bon Accord are happy to announce the engagement of their daughter Sharon Lynn to Mr. Timothy Calvin Ramstad, son of Mr. and Mrs. Alvin Ramstad of Bon Accord. Wedding to take place November 23rd, 1974, at Evangelical Free Church, Edmonton, Alberta.

Get better performance and mileage

with Shell's wide range of premium fuels specially formulated to get the best performance out of your engine.

Better winter tip: The colder an engine, the more fuel it needs to warm up. Keep your vehicles in a sheltered area and cover radiators for quicker starts.

Improve snowmobile and chainsaw performance

with Shell Super Snowmobile Oil. It's formulated with a "Quick Mixing" component giving you easy fuel/oil mixing even in sub-zero temperatures.

Better winter tip: When you stop for a rest on your snowmobile, turn off your engine! An idling engine wastes fuel and fouls up plugs.

Warm up your home

with Shell heating oil. It's efficient economical and comfortable.

Better winter tip: It pays to double check all doors, walls and windows in your house and barns. Proper weather stripping and insulation will bring you substantial savings on your heating bills.

For a smoother-running farm this winter, put your Shell Agent to work now. Call:

By Shirley Steinwand

Registration for Brownies and Guides took place on Wednesday evening. A total of 48 Brownies and 15 Girl Guides were registered. After registration, a short Local Association meeting was held.

As President Shirley Steinwand has moved up to District Commissioner, she called for volunteers for a new president. After much discussion, Mrs. Jennie Westra, formerly vice-president, volunteered for the position. Taking Mrs. Westra's place as vice-president is Mrs. Joyce Aysan.

Mrs. Bonnie Cherniwchan offered her services as Brown Owl if anyone is interested in forming a 3rd Brownie Pack.

It was decided that the L.A. would hold a Harvest Tea in October. Time and place to be announced later.

If there are any mothers with girls of Brownie age, that would be interested in forming a 3rd Brownie pack, contact Shirley Steinwand at 799-9149.

Special thanks go to Colin McLean and Mike Bochansky for cutting the grass on the ball diamond area, and to all the umpires that took part in baseball during Fall Fest '74.

Registration for Cubs and Scouts will take place on Thursday, September 12, 7 p.m. at the school. Fathers must register their sons. If you are interested in helping, contact B. Pollard or G. Cuthbert.

The Sturgeon Agricultural Society would like to take this opportunity to thank all the people, organizations, etc., for their part in making the Arena project possible. Also, thanks to everyone that attended the official opening during Fall Fest '74, helping to make it such a success.

Get well wishes to Mrs. Shirley Maseur, who is presently in hospital, after an operation.

This display by the Sturgeon Valley Dairy Club was one of a number arranged in the meeting room of the mezzanine floor for the opening ceremonies of the Gibbons Arena. The Light Horse Club and Gibbons Garden Club were others included. The meeting room will serve a multi purpose function for a wide variety of farm and community activities.

Nomination Notice
Village of Gibbons

PUBLIC NOTICE is hereby given that I will attend at THE VILLAGE OFFICE COUNCIL CHAMBERS, on WEDNESDAY, the 18th day of SEPTEMBER, 1974 from TEN o'clock in the forenoon until TWELVE o'clock noon, for the purpose of receiving Nominations of Candidates

For the office of -

FIVE COUNCILLORS FOR THREE YEARS

Given under my hand at Gibbons this 9th day of September, 1974.

EARL J. YEO,
Returning Officer.

Horse Hill

By Peggy Wenzel

Readers are reminded that the Sturgeon Further Education Council will be mailing a tabloid paper in the last week of September giving information and details of registration on all courses sponsored by regional recreation and community recreation boards throughout the municipal district.

The Horse Hill Community League will hold the first meeting of the fall season on Thursday, September 26 at the school at 8 p.m. To ensure a successful program in the coming months it is hoped that there will be a large turnout. Registrations will be taken for courses that evening, such as basketry, ceramics, pottery for children and babysitting. Membership dues will also be accepted.

Gibbons Light Horse competes regional

By Bev Epp

On Saturday, August 24, several members of the Gibbons 4H Light Horse Club attended the Northwest Regional finals held at the Leduc Arena, where members competed at the elementary junior and intermediate levels. The Leduc 4H Light Horse Club were the hosts, and the Sparrow Electric Co. sponsored a free pancake breakfast for all participating members and families. The show got underway at 8:30 a.m.

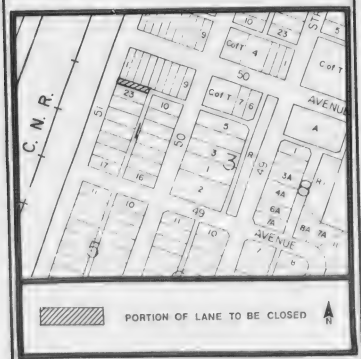
Judge for the day was Hon. Grant MacEwan and the ringmaster Mr. O'Dell. Julian Bodnar was the announcer and Barb Smith the recording secretary. Both Barb and Julian are assistant leaders from the Department of Culture, Youth and Recreation. In the overall judging competition, which includes the individual and team judging, Gibbons placed fourth. The high point winner for the show was the Leduc 4H Light Horse Club, runner-up the Klondike Club and second runner-up the Gibbons Club. Brenda McIssac and Debby Watt placed third with our demonstration. Pat Epp, Ron Kish and Jody Bowman placed fourth in the record book competition. After the completion of the show, there was a barbecue for all the participating members and friends and family.

Congratulations are extended to all the parents who rode in the oldtimers class from the 4H members. The placings were as follows: first - Andy Kish, Gibbons; second Bev Hood, Gibbons; third Eleanor Epp, Gibbons; fourth Tom Enevold, Fort Sask., fifth Pat Watt, Gibbons. Mrs. McIssac, Gibbons received a special ribbon as being the oldest parent to ride and the only "Grandma" to take part!

VILLAGE OF GIBBONS
NOTICE
OF PUBLIC HEARING

Pursuant to Section 175 of the Municipal Government Act, the Village of Gibbons intends to pass a By-law closing the following described lane for the purpose of disposing the land to adjacent property owners:

(1) All that portion of lane running in an easterly direction from 51st Street for a distance of one hundred and twenty-five feet (125'), all in Block 1, Plan 868 C.G.



Any person objecting or prejudically affected by the proposed Bylaw may make application to the Secretary-Treasurer to be heard by Council at a public meeting to be held THURSDAY, SEPTEMBER 19 at 8 o'clock P.M. IN THE VILLAGE OFFICE.

E. YEO,
SECRETARY-TREASURER
VILLAGE OF GIBBONS.

Calahoo's first horse show attracts wide interest

By Liz McLeod

Saturday, Sept. 7 dawned very cool under cloudy skies but the decision was made for the first ever, horse show in Calahoo, to carry on as planned in conjunction with the Knights of Columbus ball tourney this weekend.

After a lot of holdups and planning, Mrs. Lynn Finnigan finally was able to organize this show with the help of Margaret and Mary Jane Douglas; Sybil Thatcher and Sharon Service.

The very capable judge was Mr. Bob Burns from Picardville and the ringmaster was Roy Roberts from Riviere Qui Barre with Richard Finnigan announcing the events and winners at the microphone.

Much effort went into preparing the grounds that were wet from all the rain but not slippery fortunately.

The anticipation and enthusiasm of the participats was tremendous and it was a thrill to watch horse and rider co-operate.

Of course any show has its moments. Someone asked who was clocking the dog that was making his bid to the wire or the small dog who decided to be a part of the musical tires act.

Only one rider decided to dismount rather than have her charge take off over the fence (almost) when she picked the sack of cans off the barrel in the Trail class.

And perhaps most disappointing of all happened when Barry Schmermund's horse, Beauty, stepped in a hole, and becoming lame, had to be scratched after making such a good bid for a prize in the Western and Pleasure class.

All eyes were on Kathleen Moellmann who, being so tiny, was riding a German jumping horse, who only stood 17 1/2 hands high and amazingly enough received some ribbons.

When Ed Patrick rode this horse in the rescue race and came to pick Lucille Moellmann up, it was a show in itself. There were so many amusing scenes which everyone thoroughly enjoyed braving the cold, (thank goodness it wasn't snowing or raining) to watch so many juniors and seniors perform with their fine horses.

There were five ribbons given in each class plus prize money in the paid entry fee events.

HALTER CLASS: 1st - Romeo Ethier, 2nd - Gary Acheson; 3rd - Corie Roberts; 4th - Sherry Ethier; 5th - Linda Ethier;

TRAIL HORSE Jr. - 1st Lois Schmermund; 2nd Barry Schmermund; 3rd Kim Either; 4th Sherry Ethier; 5th Lloyd Bourke.

TRAIL HORSE SR., 1st Jeanette Patrick; 2nd Romeo Ethier; 3rd Sharon Service; 4th Tracy Ethier.

English & Western Pleasure Jr., 1st Lois Schmermuxd; 2nd Kim Ethier; 3rd Sherry Ethier; 4th Sheila Patrick; 5th Lloyd Bourke.

Western & English Pleasure Sr., 1st Linda Acheson 2nd - Sharon Service; 3rd - Christine Thompson; 4th - Albert Ethier; 5th Romeo Ethier.

JUNIOR BARREL RACING 1st Lois Burns; 2nd Lloyd Bourke; 3rd Sheila Patrick; 4th Michael Schmermund; 5th Lucille Moellmann.

SENIOR BARREL RACING 1st Linda Acheson; 2nd - Christine Thompson; 3rd - Romeo Ethier; 4th Albert Ethier; 5th Billy Maquire.

JR. POLE BENDING - 1st Lois Burns; 2nd Lloyd Bourke; 3rd Michael Schmermund 4th Lois Schmermund; 5th Sheila Patrick.

SR. POLE BENDING - 1st Ed Patrick; 2nd Linda Acheson; 3rd Christine Thompson; 4th Romeo Ethier; 5th Albert Ethier.

JR. SACK RACE - 1st Lois Burns; 2nd Michael Schmermund; 3rd Lois Schmermund; 4th Travis Patrick; 5th Kathleen Moellmann.

SR. SACK RACE - 1st Romeo Ethier; 2nd Christine Moellmann; 3rd Lucille Moellmann.

APPLE BOBBING (and here the one barrel was knocked over and half the entrants had to get their apples off the ground). 1st Lloyd Bourke; 2nd Lois Schmermund; 3rd Lois Burns; 4th Michael Schmermund and Travis Patrick.

MUSICAL TIRES - 1st-Michael Schmermund; 2nd - Kim Ethier; 3rd Lloyd Bourke; 4th Sherry Ethier; 5th Lois Burns.

RESCUE RACE - 1st Michael Schmermund and Scott Thatcher; 2nd Lloyd Bourke and George Cust; 3rd Romeo Ethier and Albert Ethier; 4th Wanda Pavlick and Phyllis Rothweiller; 5th Tracy Hammond and Barry Schmermund.

In the Ladies Cigar Race entrants had to come and get off their horse, be given a cigar and some penny matches, light it, mount and get back to the finish line. It was funny and Lucille Moellmann, Lois Schmermund, Wanda Pavlick, Marlene Schermund and Tracy Hammond came in, in that order

Rest assured there will be a lot of practicing to prepare for a future show considering the interest shown this day.

Needless to say its a feather in the hat of the organizers who gave Calahoo and surrounding districts such a worthwhile entertainment

Horticulture show grows more popular

By Liz McLeod

The third annual Flower and Vegetable show sponsored by the Calahoo Women's Institute August 21 in the church basement will be remembered as a very rewarding experience and in spite of the late spring there was a very good display of both flowers and vegetables.

Many beautiful gladioli dominated the flower entries and floral arrangements added to the beauty of the displays.

Special prizes were awarded to the following - Vegetables, most points (24) to Elsie Hook of Onoway; Flowers - most points (18) to Theda Verbeek, Calahoo; Best Floral Arrangement - Betty Albrecht, Onoway; Best Decorative Arrangement and Corsage - Elsie Hook; Best Coffee Table Arrangement - Mary Dalheim, Onoway; Best Foliage House Plant - Theda Verbeek; Best Blooming House Plant - Maria Eckerle, Onoway; Grand Aggregate Prize went to Elsie Hook.

There were more children entering this year with Jason Yoeman of Onoway getting 1st, Kelly McCann 2nd and Russell McCann 3rd in the 6 to 12 year olds.

The preschoolers who entered were brother and sister, Roger and Heather McCann. In the lunch box entries Cindy Kaup got 1st, Troy Kaup 2nd and Martin Kaup 3rd and merit ribbons went to Shelley, Troy and Martin, Cindy and Todd Kaup.

There were 22 entrants besides the children's so the show is gaining in popularity each year.

The door prize was won by John Thatcher who generously donated it back to the institute.

Judge Tony Jansen, remained to make comments and answer questions which was much appreciated by those entering.

He also mentioned he would be on channel 3 TV., this fall, starting Sept. 12 from 10:30 a.m. for one hour on certain days.

It was gratifying to see a number of men viewing the displays and the flowering kale, brought by Margaret Douglas, was a conversation piece, as hardly anyone had ever seen this plant. As one lady said, "It looks as if it came from outerspace."

The WI wish to thank Walter and Mary Victoor for the lovely house plants which they donated to the group for sale.

We all hope we will have a touch of the green thumb Walter has after acquiring some of his lovely plants.

Many thanks go to the West Sturgeon Agriculture Society for their assistance with this flower show and to each and everyone connected with helping to make this such a beautiful display and successful event.

AN EXTRA PHONE IS A HANDFUL OF CONVENIENCE!

Be an extension-phone family.
Put it upstairs, downstairs, anywhere.
